UNIVERSITY OF TORONTO

2027-28 **International** Undergraduate Admissions Bulletin

Applying to U of T

Applying to U of T is a straightforward process.
You'll find more information within this bulletin.

Submit your application

September - January

Start your application in late September 2026 and submit it by **November 7, 2026** to be considered in the earliest rounds of admission. The final application deadline is January 15, 2027.

future.utoronto.ca/applying

Complete next steps

October - March

Check your email for a link to activate your JOINid and access the application portal. **Submit any required documents and complete next steps** before the listed deadlines.

future.utoronto.ca/after-you-apply

Complete a supplemental application if required for the program(s) you applied to.

uoft.me/supplemental-applications

Submit your residence application by **March 31, 2027**, even if you haven't received an admission decision yet.

uoft.me/residence-app

Track your application

January - May

Check the applicant portal for updates on your application.
If you receive an offer of admission, **accept your offer of admission** before the deadline posted on your offer letter.

future.utoronto.ca/admission-decisions

If you are not a Canadian citizen or permanent resident, you must **obtain a valid study permit before entering Canada**. You may also need to submit a Provincial Attestation Letter (PAL) as part of the study permit application.

uoft.me/studypermit

How to Apply

Applicants wishing to be considered for admission to several Ontario universities should apply to the University of Toronto through the Ontario Universities' Application Centre (OUAC).

Applicants who are interested in applying only to the University of Toronto, who reside outside of Canada, and who are neither currently studying nor have previously studied in Canada may apply using the University of Toronto International Application.

Find all applications and complete details on the admissions process at

future.utoronto.ca/applying

Application Deadlines

Submitting a complete application as early as possible allows your application to be considered earlier. After the application deadline has passed, programs that are not full may consider applicants on a rolling basis. Once we receive your application, we will send you an email acknowledgement with next steps.

NOVEMBER	JANUARY
07	15
EARLY CONSIDERATION APPLICATION DATE	FINAL APPLICATION DEADLINE

Document Deadlines

Applicants who submit required documents early can maximize their opportunities for admission consideration.

If you applied by our early consideration application date, plan to submit any required documents that are available to you by December 1. The document deadline date for most program areas is February 1; Applied Science & Engineering has a January 15 deadline. We strongly encourage you to submit all required documents well in advance of the deadlines.

Documents received after the published deadlines will be considered as space allows. For a complete list of document deadlines, see:

future.utoronto.ca/deadlines

Supplemental Applications

Some programs, colleges and campuses ask students to fill out a supplemental application or profile. You will be notified if you need to fill out a supplemental application or profile, as well as where to submit and when.

uoft.me/supplemental-applications

After Applying

About a week after you submit your application, you will get an email acknowledging that we have received your application. The email will also ask you to activate a set of personal login credentials (JOINid) and then sign into the **Join U of T Applicant Portal** or the **Engineering Applicant Portal**. This will unlock the second step of the application process.

Join U of T is a one-stop applicant dashboard that lists everything we need from you and your next steps. It is the first place you should go if you want to check the status of your application, and it's the best place to go if you are not sure what to do next. When you log in, you'll be able to see if you need to provide any additional information and access our online residence application.

Engineering applicants will be redirected to a separate portal after signing into Join U of T, called the Engineering Applicant Portal, where you'll be able to complete the rest of your application. Be sure to submit any required documents by the deadlines listed in your portal.

Studying in Canada

Study Permit

International students planning to study in Canada generally require a valid study permit. A study permit is a document issued by the Canadian government that allows you to be in Canada and to study. It may also allow you to work on and/or off campus as long as you meet the requirements. More information and resources can be found at:

uoft.me/immigration

Complete details about applying to study in Canada as an international student can be found at:

ircc.canada.ca

Provincial Attestation Letter

International students may need a Provincial Attestation Letter (PAL) for their study permit application. This letter confirms your acceptance and eligibility to study in Ontario. The PAL is provided to students after they complete key steps, including accepting an offer of admission and paying the admission deposit.

uoft.me/PALetter

Centre for International Experience

Adapting to a new cultural environment and a new educational system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs.

cie.utoronto.ca

Guardianship

If you are an international student under the age of 18, you may be asked by Immigration, Refugees and Citizenship Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

NOTE

We are aware that third parties around the world are misrepresenting themselves as agents, staff, or officers of the University of Toronto, and are extending fraudulent offers of admission and scholarships to prospective students. We urge you to protect yourself by reviewing how we will be communicating with you.

future.utoronto.ca/fraud

Admission Requirements

Minimum admission requirements vary by educational jurisdiction and program of study. All applicants are required to present a Senior Year/Grade 12 English course for admission consideration. Mathematics (including Calculus) is required for programs with Mathematics prerequisites. All programs have limited spaces and selection is competitive. Some programs require a supplemental application. More information is available at:

future.utoronto.ca/requirements

Secondary School Applicants

Admission requirements for British-Patterned Education, Caribbean Advanced Proficiency Examination (CAPE), French Baccalaureate, International Baccalaureate (IB), and the United States curriculum can be found in the "Admission Requirements for Common International Education Systems" section of this document.

Detailed information about all other educational systems is available at:

uoft.me/reqs

University Transfer Applicants

Admission consideration is based on the overall academic record, with an emphasis on the most recent (or highest) level of study completed, and results in prerequisite subjects. Prerequisites must be completed at the Senior Year/Grade 12 level or at the undergraduate level.

Note that some programs do not consider applications from students who have previously attended a postsecondary institution. Be sure the program in which you are interested will consider your application.

uoft.me/intl-limited-transfer

Applicants who already hold a bachelor's degree from a recognized postsecondary institution can only apply to a different field of study. Individuals who already hold an undergraduate degree in engineering are not eligible to apply for undergraduate studies at U of T Engineering.

Students who wish to take courses at the University of Toronto for credit toward a degree at another university should contact the target campus/faculty directly. Such students must present a valid Letter of Permission from their home university.

uoft.me/transferal
uoft.me/ENGtransfer

Second-entry & Graduate Programs

Many programs have admission prerequisites at the postsecondary level. Learn more at:

- **Graduate Studies**
  sgs.utoronto.ca
- **Dentistry**
  dentistry.utoronto.ca
- **Law**
  law.utoronto.ca
- **Medical Radiation Sciences**
  medicalradiationsciences.ca
- **Medicine**
  md.utoronto.ca
- **Nursing**
  bloomberg.nursing.utoronto.ca
- **Pharmacy**
  pharmacy.utoronto.ca
- **Social Work**
  socialwork.utoronto.ca

Program Areas

We offer flexibility when it comes to your program choices. You can apply to up to three different faculties or campuses in one application cycle, but only one application per area (for example, only one application to the Faculty of Arts & Science at the St. George campus).

Your applications will be considered independently from each other. That means you can receive multiple offers of admission and that your decisions may come at different times in the application cycle.

Example Scenarios

Scenario #1
You could apply once to the Faculty of Music, the Faculty of Kinesiology & Physical Education, and the Faculty of Arts & Science.

Scenario #2
You cannot apply to two program areas within the Faculty of Arts & Science.

Scenario #3
You could apply once to U of T Mississauga, U of T Scarborough, and the Faculty of Applied Science & Engineering (St. George campus).

Scenario #4
You cannot apply to two program areas at U of T Mississauga.

Transfer Credit

High School

Transfer credit towards arts, science and commerce/management programs is considered for some academic AP, IB, A Level, CAPE and French Baccalaureate subjects. Learn more:

uoft.me/hs-transfer-credit

Postsecondary

Transfer credit may be granted for undergraduate studies completed at a recognized postsecondary institution. Details about the transfer credit process will be provided after an offer of admission is made. Prospective students should consult the website of their target faculty for more information.

uoft.me/univ-transfer-credit

Pathway Programs

English Language Pathway Programs

Academically qualified students who do not meet our English language requirements may be interested in one of our English language programs. Students will meet our English language requirement if these programs are completed successfully. They are offered on each campus and range in length from six weeks to eight months. Such programs include:

- **Academic Culture & English Program (ACE@UTM) uoft.me/utmace**
- **Academic English at U of T Scarborough uoft.me/academicenglish**

International Foundation Program

The International Foundation Program (IFP) offers a unique opportunity to gain admission to the University of Toronto. The IFP provides conditional acceptance and a combination of intensive English language instruction, essential academic skills development, and for-credit courses that count towards your degree. With small class sizes and personalized attention, you'll join a community of successful international students. Learn more:

internationalprograms.utoronto.ca

English Language Requirements

Proof of adequate English facility is required from all applicants except for those:

- whose first language (i.e., the language learned at home as a child) is English; or
- who have achieved satisfactory results in at least four years of full-time academic study in an English language school system located in a country where the dominant language is English; or
- whose first language is French and who have achieved satisfactory results in at least four years of full-time academic study in Canada.

For full details about English language requirements, visit **uoft.me/elr**

Tests and Qualifications That Provide Acceptable Evidence of English Facility

Academic English Course, School of Continuing Studies, University of Toronto
The minimum requirement is completion of Academic English Level 60 with grade of 'B.' **uoft.me/academic-english-program**

Duolingo English Test
The minimum requirement is an overall score of 120 with at least 120 in Production.

GCE A/AS Level English
The minimum requirement is English or English Language with grade of 'C.'

GCSE/IGCSE/GCE O Level English
The minimum requirement is English or English Language or English as a Second Language with a final grade of 'B' (or '6' in reformed qualifications).

International Baccalaureate English
The minimum requirement is Higher Level or Standard Level English A: Literature or English A: Language and Literature with a score of 4 (predicted or final). English B HL with a score of 7 (predicted/final) is also accepted.

International English Language Testing System (IELTS) Academic
The minimum requirement is an overall band of 6.5 with no band lower than 6.0.

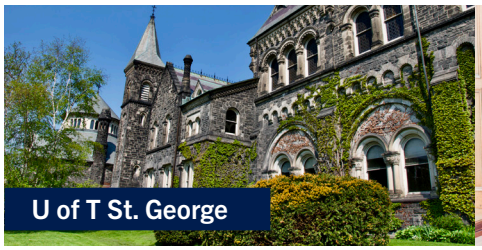
Pearson Test of English (PTE) Academic
The minimum requirement is an overall score of 65 with no part below 60.

TOEFL iBT
The minimum requirement is an overall score of 4.5 with 4.5 in Writing and 4.0 in Speaking. For applicants who completed the test before January 21, 2026, the minimum requirement is a total score of 89 with 22 in each of Speaking and Writing.

Other Common English Proficiency Tests/Qualifications
Other English language tests/qualifications are also considered. For a comprehensive list and complete details on our English language proficiency requirements, be sure to visit **uoft.me/elr**

U of T Mississauga

U of T Scarborough



U of T St. George

Working in Canada

International students are permitted to work part-time and may be able to incorporate paid work terms into their academic programs. After you graduate, you may be allowed to work in Canada, full-time, for up to three years.

Work as Part of Your Academic Program

Paid work placements are part of co-op programs at U of T Scarborough, the Professional Experience Year Co-op Program available to Engineering students, the U of T Mississauga Co-op Internship Program, and the Arts & Science Internship Program available to eligible Faculty of Arts & Science students:

uoft.me/uoftscarboroughcoop
uoft.me/peycoop
uoft.me/utmcip
uoft.me/asip
uoft.me/careersischool

Gaining Work Experience

Part-time work on or off campus allows you to earn extra spending money. Not only is it an excellent opportunity to gain practical Canadian work experience, but it will also allow you to expand your social experiences. You may obtain permission to work part-time off campus following six months of study. You may also stay in the Greater Toronto Area and work full-time during holidays and between academic terms. Learn more:

uoft.me/cie

Scholarships & Financial Aid

All applicants are considered automatically for admission scholarships based on their academic performance. To explore all U of T scholarship opportunities, including those that require a separate application, visit our Award Explorer at:

awardexplorer.utoronto.ca

Canadian citizens and permanent residents who live outside of Canada may be eligible for the University of Toronto's financial aid support for students in financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program. The University of Toronto is a recognized postsecondary institution for Federal Direct Loans (PLUS/Subsidized/Unsubsidized). Education Savings Plans, and U.S. Federal Education Tax credits are also applicable. Complete details can be found at:

uoft.me/usloans

International Scholar Award

International students who are admitted to the Faculty of Arts & Science, Faculty of Applied Science & Engineering, University of Toronto Mississauga or University of Toronto Scarborough are automatically considered for the International Scholar Award. Learn more at:

uoft.me/internationalscholarships

U of T Engineering Scholarships

The Faculty of Applied Science & Engineering has scholarships available for international students:

uoft.me/engscholarship

Lester B. Pearson International Scholarships

- ✓ **Tuition for 4 years**
- ✓ **Living costs**
- ✓ **Fees & books**

Covering tuition fees and living expenses for four years, the Lester B. Pearson International Scholarships at the University of Toronto offer you access to an unparalleled experience in undergraduate education. Imagine a top-ranked university located in one of the world's most welcoming multicultural cities, where students come from over 160 countries and more than 900 municipalities. Imagine enriched learning within a unique community of students, alongside brilliant professors who are shaping the future of their fields. As a Pearson Scholar, you will gain a global perspective on issues that matter most to you. Learn more at:

future.utoronto.ca/pearson-scholarships

Tuition Fees 2026-2027

The cost of attending university varies depending on your program of study and place of residence during the Fall-Winter academic year. Updated fees for 2027-2028 will be available in the summer of 2027.

	International Students		**Canadian Citizens, Permanent Residents**			
			Ontario Residents		Residents Outside of Ontario	
Tuition and Incidental Fees (subject to change)	**$ CAD**	**$ USD**	**$ CAD**	**$ USD**	**$ CAD**	**$ USD**
Applied Science & Engineering	$76,074.83	$53,947.37	$16,726.83	$11,862.18	$19,996.83	$14,182.19
Architecture, Landscape, and Design	$69,105.31	$49,005.59	$8,267.31	$5,863.20	$9,657.31	$6,849.35
Arts, Science, Commerce, and Management (U of T St. George, U of T Mississauga and U of T Scarborough)	$69,130.13 – $69,900.93	$49,023.19 – $49,570.23	$8,292.13 – $9,062.93	$5,880.80 – $6,427.45	$9,682.13 – $10,452.93	$6,866.95 – $7,413.63
Information	$72,023.31	$51,075.32	$13,685.31	$9,705.94	$16,305.31	$11,564.79
Kinesiology & Physical Education	$54,460.31	$38,621.66	$8,272.31	$5,866.91	$9,662.31	$6,853.14
Music	$54,053.31	$38,333.03	$8,835.31	$6,266.22	$10,225.31	$7,252.45

Total fees include academic fees, as well as incidental and ancillary fees. Incidental and ancillary fees vary by college and campus. Ancillary fees are associated with course-related activities, or for services that students can choose to access. Incidental fees cover the costs of services and programs that contribute to the student experience and student wellbeing, and include fees for University-operated student services (such as campus Career Centres and Hart House). Find out more about incidental and ancillary fees at **viceprovoststudents.utoronto.ca/students/fees**. USD currency conversion calculated on July 21, 2026. Current currency conversions are available at **bankofcanada.ca**

Tuition fees increase in the second year of some programs. A complete tuition fee schedule is available at **uoft.me/tuitionexplorer**. International fees include UHIP, a compulsory health insurance plan for international students ($948).

Accurate at time of printing. Confirm fee schedules at **future.utoronto.ca/fees**

Housing & Residence Options

Residence is guaranteed for all new full-time students entering their first year of a postsecondary program for the first time, provided that they have indicated their interest in residence by completing an application on the U of T residence portal by **March 31**, and receive and accept an offer of admission by **June 1**. Students must respond to all deadlines and meet all deposit requirements in order to maintain their eligibility.

This information can change without notice. Please check individual residence websites for up-to-date information.

* Prices are for 2026-2027. Costs include meal plan, where mandatory. Please check **residence.utoronto.ca** in Spring 2027 for updates to residence price ranges for 2027-2028.

† Optional meal plans can be purchased through U of T Food Services: **foodservices.utoronto.ca**.

Additional residence council fees may be required in addition to the above-listed fees at some residences.

Admission Consideration

The admission selection process is based on your complete academic record, including results in prerequisite subjects, plus requested supplementary or profile information. Admission is competitive and subject to space availability. We seek to admit the best possible students on the basis of academic performance and potential, and will select students for admission based on competitive strength. Details about admission requirements pertaining to your educational jurisdiction are available at: **future.utoronto.ca/requirements**

Supplemental Applications & Auditions

Some programs, colleges and campuses ask applicants to fill out a supplemental application or profile. You will be notified if you need to fill out a supplemental application or profile, as well as where to submit and when.

Supplemental applications are required for the following program areas:

- **Faculty of Applied Science & Engineering:** All programs
- **John H. Daniels Faculty of Architecture, Landscape, and Design:** All programs
- **Faculty of Arts & Science:** Computer Science, Rotman Commerce
- **Faculty of Kinesiology and Physical Education:** All programs
- **Faculty of Music**: All programs
- **U of T Mississauga:** Computer Science, Theatre & Drama
- **U of T Scarborough:** Management, Management & International Business, Paramedicine, International Development Studies, Music Industry & Technology, Double Degree (BBA & HBSc)

Applicants to the Faculty of Music and applicants to Theatre & Drama Studies at U of T Mississauga must complete an audition.

To learn more about supplemental applications and auditions, visit **uoft.me/supplemental-applications**.

Additional Information

John H. Daniels Faculty of Architecture, Landscape, and Design

Both professions of Architecture and Landscape Architecture require a graduate degree at the master's level.

Faculty of Arts & Science

Additional high school subjects may be required as prerequisites for specific courses in first year or for entry to specific programs in second year. Learn more: **www.artsci.utoronto.ca/future**

Faculty of Kinesiology and Physical Education

Students planning to take upper-year biology courses should take Grade 12 Chemistry. Students who wish to add a minor or major in Psychology or Physics to their BKin degree should take Grade 12 Calculus. Learn more: **kinesiology.utoronto.ca**

Faculty of Music

Students are recommended to apply by December 1 to ensure they have sufficient time to access and complete the Music Questionnaire.

Explore Your Options

Mixing Programs

When building an arts, science, or business degree on your chosen campus, you can mix and match Specialist (9-16 credits), Major (6-9 credits), and Minor (4-5 credits) programs to suit your goals. For example, you can pursue a Specialist, or two Majors, or one Major and two Minors. Overall, in a typical arts, science or business degree, you will take at least 20 credits across your chosen subject areas.

Work-Integrated Learning (WIL)

Many programs offer integrated co-op, internships or professional work term options. Learn more:

- **Faculty of Applied Science & Engineering Professional Experience Year Co-op Program uoft.me/peycoop**
- **Faculty of Arts & Science Internship Program uoft.me/asip**

Admission Requirements for Common International Education Systems

Curriculum	Admission Requirements ◊	English Prerequisite**	Mathematics Prerequisite *
British-Patterned Education	**Arts, Science, Commerce/Management, Architectural/Visual Studies, Information, Kinesiology & Physical Education, and Music** Five different IGCSE/GCSE/Ordinary Level academic subjects AND three different A Level/International A Level academic subjects. Prospective students presenting four AS subjects in lieu of three A Levels will also be considered. Prerequisites should be presented at AS or A Level with the exception of English which may be presented at the IGCSE/GCSE/GCE O/AS or A Level.	GCSE/IGCSE/Ordinary Level English, English Language, or English as a Second Language, OR AS Level/A Level English or English Language	Math AS Level/A Level/AL Pure Mathematics
	Engineering Three A Levels including Mathematics and Physics. Chemistry is strongly recommended as the third A Level. If you are not taking AS/A Level Chemistry, you must present O Level Chemistry for admission consideration. U of T Engineering does not grant advanced standing for A Level subjects. Complete details can be found at **discover.engineering.utoronto.ca**	GCSE/IGCSE/Ordinary Level English, English Language, or English as a Second Language, OR AS Level/A Level English or English Language	A Level Mathematics/Pure Mathematics
Caribbean Advanced Proficiency Examination (CAPE)	Six units offered by the Caribbean Examinations Council. Refer to **discover.engineering.utoronto.ca** for complete information about admission requirements for Engineering.	CSEC or CAPE English	CAPE Pure Mathematics
French Baccalaureate	The complete Baccalauréat général. Refer to **discover.engineering.utoronto.ca** for complete information about admission requirements for Engineering.	Anglais (terminale)	Spécialité Mathématiques (première + terminale)
International Baccalaureate (IB)	**Arts, Science, Commerce/Management, Architectural/Visual Studies, Information, Kinesiology & Physical Education, and Music** The complete Diploma.	English HL or SL	Mathematics: Applications and Interpretations HL / Analysis and Approaches SL / Analysis and Approaches HL
	Engineering The complete Diploma. Physics and Chemistry at either level. U of T Engineering does not grant advanced standing credit for IB courses. Complete details can be found at **discover.engineering.utoronto.ca**	English HL or SL	Mathematics Analysis and Approaches HL (recommended) / SL or Mathematics Applications and Interpretations HL
United States	**Arts, Science, Commerce/Management, Architectural/Visual Studies, Information, Kinesiology & Physical Education, and Music** High School Diploma from an accredited high school. We expect competitive applicants to be enrolled in a rigorous academic course load, and to have taken the highest level of course available to them in prerequisite subjects. U of T is test optional. Students who have written SAT or ACT tests and wish to have these considered in their assessment may submit their scores.	Senior Year/Grade 12 English	Grade 12 Calculus / AP Calculus
	Engineering Grade 12 at an accredited high school with a high-grade point average. Competitive candidates are expected to present ACT or SAT scores, at least two years of Math including Pre-Calculus and Calculus, two years of Physics (highest level offered in school), one year of Chemistry (two years preferred). Students who cannot take more than one year of Chemistry or Physics, or who are not taking an AP course in that subject, should contact the Engineering Undergraduate Admissions Office directly to discuss other options to meet admission prerequisites requirements. Applicants to U of T Engineering are required to fully disclose any and all test scores, if taken. U of T Engineering does not grant advanced standing credit for AP courses. A full list of acceptable prerequisite requirements can be found at: **discover.engineering.utoronto.ca**	Senior Year/Grade 12 English	Grade 12 Calculus / AP Calculus

Detailed information about all educational systems is available at **uoft.me/reqs**

Transfer credit information is available at **uoft.me/transferal**

Students applying to U of T Engineering programs should consult system-specific international admission requirements by visiting **discover.engineering.utoronto.ca/how-to-apply**

◊ Possession of the minimum requirements does not guarantee admission.
** English is required for admission to all program areas.
* Other prerequisites may be required. Refer to the appropriate program chart.

U OF T MISSISSAUGA — utm.utoronto.ca/future

Program	Prerequisites in Addition to English	S	Ma	Mi	WIL
CHEMICAL AND PHYSICAL SCIENCES (HBSc) *OUAC Program Code: TMW*					
Astronomical Sciences	M, Ph	•			
Astronomy	M, Ph		•		
Biological Chemistry	M, Bio, Ch; (rec. Ph)	•			
Biophysics	M, Bio, Ch, Ph	•			
Chemistry	M, Ch; (rec. Ph)	•	•	•	
Earth Science	M, Bio, Ch; (rec. Ph)	•	•	•	
Environmental Science ∫	M, Bio, Ch/Ph	•	•	•	
Geography	M; one of Bio/Ch/Ph based on future interest	•	•	•	
GeoSpatial Data Science	(rec. M)		•	•	
Health, Environments, and Society				•	
Physics	M, Ph		•	•	
COMMERCE & MANAGEMENT (BCom/BBA) *OUAC Program Code: TMO*					
Accounting (BCom)	M	•			
Accounting & Finance (BBA)	M	•			
Business, Science, and Entrepreneurship (HBSc - For Science students only) ¶	M			•	
Commerce (BCom)	M	•			
Commerce (HBA)	M		•		
Economics (BCom)	M	•			
Finance (BCom)	M	•			
Management (BBA)	M	•			
Management (HBA)	M		•		
Marketing (BCom)	M	•			
COMMUNICATION, CULTURE, INFORMATION & TECHNOLOGY (HBA) *OUAC Program Code: TMC*					
Communication, Culture, Information & Technology			•		
Digital Enterprise Management	(rec. M)	•			
Professional Writing and Communication			•	•	
Technology, Coding & Society			•		
COMPUTER SCIENCE (BCS) *OUAC Program Code: TMX*					
Computer Science Δ	M; Supp	•	•		
Information Security Δ	M; Supp	•			
FORENSIC SCIENCES (HBSc) *OUAC Program Code: TMK*					
Forensic Anthropology	M, Bio	•			
Forensic Biology	M, Bio, Ch; (rec. Ph)	•			
Forensic Chemistry	M, Bio, Ch; (rec. Ph)	•			
Forensic Psychology	M, Bio	•			
Forensic Science	M, Bio, Ch; (rec. Ph)		•	•	
HUMANITIES (HBA) *OUAC Program Code: TMH*					
Canadian Studies				•	
Chinese Language & Culture				•	
Classical Civilization				•	
Creative Writing				•	
Diaspora & Transnational Studies				•	
Dramaturgy and Drama Studies				•	
Education Studies				•	
English		•	•	•	
English Language Linguistics				•	
Ethics, Law & Society				•	
French Studies		•	•	•	
Functional French				•	
Game Studies				•	
Global Leadership				•	
History		•	•	•	
History of Religions		•	•	•	
Italian	(rec. Ita)	•	•		
Italian Language & Culture	(rec. Ita)			•	
Language Teaching & Learning: French	(rec. Fr)		•		
Language Teaching & Learning: French & Italian	(rec. Fr, Ita)	•			
Language Teaching & Learning: Italian	(rec. Ita)		•		
Latin American & Caribbean Studies				•	
Linguistic Studies			•	•	
Logic				•	
Philosophy		•	•	•	
Philosophy of Science				•	
South Asian Humanities				•	
Women, Gender and Sexuality Studies			•	•	
LIFE SCIENCES (HBSc) *OUAC Program Code: TML*					
Anthropology	(rec. Bio)	•	•		
Biology	M, Bio, Ch	•	•	•	
Biology for Health Sciences	M, Bio, Ch		•		
Biomedical Communications	Bio			•	
Biotechnology	M, Bio, Ch	•			
Comparative Physiology	M, Bio, Ch; (rec. Ph)	•			
Ecology & Evolution	M, Bio, Ch; (rec. Ph)	•			
Molecular Biology	M, Bio, Ch; (rec. Ph)	•			
Paleontology	M, Bio, Ch		•		
MATHEMATICAL & COMPUTATIONAL SCIENCES (HBSc) *OUAC Program Code: TMZ*					
Applied Statistics	M	•	•	•	
Computer Science	M		•	•	
Mathematical Sciences	M	•	•	•	
PSYCHOLOGICAL & BRAIN SCIENCES (HBSc) *OUAC Program Code: TMP*					
Exceptionality in Human Learning ∫	M, Bio	•			
Neuroscience	M, Bio, Ch	•			
Psychology ∫	M, Bio	•	•	•	
SOCIAL SCIENCES (HBA) *OUAC Program Code: TMS*					
Anthropology		•	•	•	
Criminology, Law and Society		•	•	•	
Economics	M	•	•	•	
Economics & Political Science	M	•			
Environmental Law and Policy				•	
Environmental Management ∫	(rec. Bio)	•	•	•	
Financial Economics (HBSc)	M	•			
Geography		•	•	•	
History & Political Science		•			
International Affairs	M	•			
Political Science		•	•	•	
Sociology		•	•	•	
Sustainability				•	
THEATRE AND DRAMA (HBA) *OUAC Program Code: TMT*					
Theatre and Drama Studies	Audition Required	•			
VISUAL STUDIES (HBA) *OUAC Program Code: TEV*					
Art & Art History ^		•	•		
Art History		•	•	•	
Cinema Studies			•	•	
Visual Culture				•	
Visual Culture & Communication		•			

U OF T SCARBOROUGH — utsc.utoronto.ca/admissions

Program	Prerequisites in Addition to English	S	Ma	Mi	WIL
COMPUTER SCIENCE (BCS) *OUAC Program Code: TXC*					
Computer Science Δ	M	•	•	•	
Comprehensive Stream Δ	M	•			
Artificial Intelligence and Machine Learning Stream Δ	M	•			
Entrepreneurship Stream Δ	M	•			
Information Systems Stream Δ	M	•			
Software Engineering Stream Δ	M	•			
DOUBLE DEGREE (BBA & HBSc) *OUAC Program Code: TXQ*					
Management & Finance and Statistics – Quantitative Finance Stream Δ	M; Supp	•			
INTERNATIONAL DEVELOPMENT STUDIES (CO-OP) (HBA/HBSc) *OUAC Program Code: TSD*					
International Development Studies (HBA) (co-op only)	Supp	•			
International Development Studies (HBSc) (co-op only)	M, Bio; (rec. Ch); Supp	•			
JOURNALISM (HBA) *OUAC Program Code: TSJ*					
Journalism ***		•			
LIFE SCIENCES (HBSc) *OUAC Program Code: TSL or TXD (Health Sciences Stream)*					
Biology ^ ∫	M, Bio; (rec. Ch)		•	•	
Conservation & Biodiversity ^ ∫	M, Bio; (rec. Ch)	•	•		
Human Biology ^ ∫	M, Bio; (rec. Ch)	•	•		
Integrative Biology ^ ∫	M, Bio; (rec. Ch)	•			
Molecular Biology & Biotechnology ^ ∫	M, Bio; (rec. Ch)	•			
Molecular Biology, Immunology & Disease ^ ∫	M, Bio; (rec. Ch)		•		
Neuroscience ^	M, Bio; (rec. Ch)	•	•		
Plant Biology ^ ∫	M, Bio; (rec. Ch)		•		
MANAGEMENT (BBA) *OUAC Program Code: TSM*					
Management	M; Supp	•			
Management & Accounting ∫	M; Supp	•			
Management & Accounting + Master of Accounting & Finance – Combined Degree Path ∫	M; Supp	•			
Management & Finance	M; Supp	•			
Management & Human Resources	M; Supp	•			
Management & Information Technology	M; Supp	•			
Management & Marketing	M; Supp	•			
Strategic Management	M; Supp	•			
Economics for Management Studies	M; Supp	•			
Economics for Management Studies (HBA)	M; Supp		•	•	
Global Leadership	Supp			•	
MANAGEMENT & INTERNATIONAL BUSINESS (CO-OP) (BBA) *OUAC Program Code: TXB*					
Management & International Business (co-op only)	M; Supp	•			
MATHEMATICS (HBSc) *OUAC Program Code: TXS*					
Mathematics Δ ∫	M	•	•		
Comprehensive Stream Δ ∫	M	•			
Statistics Stream Δ ∫	M	•			
Teaching Stream Δ ∫	M	•			
MUSIC INDUSTRY & TECHNOLOGY (HBA) *OUAC Program Code: TXW*					
Music Industry & Technology ***	Supp	•			
PARAMEDICINE (HBSc) *OUAC Program Code: TSI*					
Paramedicine ** Δ §	M, Bio; (rec. Ch); Supp	•			
PHYSICAL & ENVIRONMENTAL SCIENCES (HBSc) *OUAC Program Code: TSP or TXH (Health Sciences Stream)*					
Applied Climatology	M, Ph			•	
Astronomy and Astrophysics	M, Ph			•	
Biochemistry ^ ∫	M, Bio; (rec. Ch, Ph)		•		
Chemistry ^ ∫	M, Ph; (rec. Ch)	•	•		
Environmental Chemistry ^ ∫	M, Bio, Ph; (rec. Ch)	•	•		
Environmental Geoscience ^ ∫	M, Bio, Ph; (rec. Ch)		•		
Environmental Physics ∫	M, Ph; (rec. Ch, Ph)		•		
Environmental Science ^ ∫	M, Bio; (rec. Ch, Ph)		•	•	
Global Environmental Change ^ ∫	M, Bio; (rec. Ch, Ph)	•			
Medicinal & Biological Chemistry ^ ∫	M, Bio, Ph; (rec. Ch)	•			
Natural Sciences & Environmental Management				•	
Physical & Mathematical Sciences ∫	M, Ph; (rec. Ch)	•			
Physical Sciences	M, Ph; (rec. Ch)		•		
Physics & Astrophysics ∫	M, Ph	•	•		
PSYCHOLOGY & HEALTH STUDIES (HBSc) *OUAC Program Code: TPS or TXF (Health Sciences Stream)*					
Anthropology: Evolutionary ^ ∫			•	•	
Mental Health Studies ^ ∫	(rec. Bio, M)		•	•	
Population Health ^			•		
Psycholinguistics ^			•		
Psychology ^	(rec. Bio, M)		•	•	
SOCIAL SCIENCES & HUMANITIES (HBA) *OUAC Program Code: TUD*					
African Studies				•	
Aging & Society				•	
Anthropology				•	
Anthropology: Socio-Cultural ∫			•	•	
Artificial Intelligence, Mind and Society				•	
Bioethics				•	
City Studies			•	•	
Classical Studies				•	
Climate Change Studies			•		
Creative Writing			•	•	
Critical Migration Studies				•	
Culture, Creativity and Cities				•	
English ∫			•	•	
English & Chinese Translation				•	
Environmental Studies			•		
Film Studies			•	•	
Food Studies				•	
French ∫	Fr/equivalent	•	•	•	
Geographic Information Science				•	
Geography: Human ∫		•	•	•	
Geography: Physical & Human			•		
Global Asia Studies		•	•	•	
Health Humanities				•	
Health Policy			•		
History ∫			•	•	
International Development Studies (HBA)			•	•	
International Development Studies (HBSc)	M, Bio; (rec. Ch)	•			
Linguistics			•	•	
Philosophy			•	•	
Political Science			•	•	
Public Law			•	•	
Public Policy			•		
Social Data Science				•	
Sociology ∫		•	•	•	
Urban Public Policy & Governance				•	
Women's & Gender Studies			•	•	
STATISTICS (HBSc) *OUAC Program Code: TXU*					
Applied Statistics	M			•	
Statistics Δ	M	•	•	•	
Quantitative Finance Stream Δ	M	•			
Statistical Machine Learning & Data Science Stream Δ	M	•			
Statistical Sciences Stream Δ	M	•			
VISUAL & PERFORMING ARTS, ARTS MANAGEMENT, AND MEDIA (HBA) *OUAC Program Code: TUC*					
Art History & Visual Culture			•	•	
Arts & Media Management			•		
Arts Management		•			
Media & Communication Studies			•		
Media Studies				•	
Music ∫			•	•	
New Media Studies ***			•		
Studio Art		•	•	•	
Theatre & Performance ∫			•	•	

U OF T ST. GEORGE: FACULTY OF ARTS & SCIENCE — www.artsci.utoronto.ca/future

Program	Prerequisites in Addition to English	S	Ma	Mi	WIL

PROFESSIONAL FACULTIES AT U OF T ST. GEORGE

FACULTY OF APPLIED SCIENCE & ENGINEERING (BASc)

Program	OUAC Program Code	Prerequisites in Addition to English	PEY Co-op
Chemical Engineering	TB	Ch, M, Ph; Supp	•
Civil Engineering	TV	Ch, M, Ph; Supp	•
Computer Engineering	TCS	Ch, M, Ph; Supp	•
Electrical Engineering	TE	Ch, M, Ph; Supp	•
Engineering Science (BASc in Engineering Science)	TK	Ch, M, Ph; Supp	•
Industrial Engineering	TI	Ch, M, Ph; Supp	•
Materials Engineering	TTM	Ch, M, Ph; Supp	•
Mechanical Engineering	TM	Ch, M, Ph; Supp	•
Mineral Engineering	TG	Ch, M, Ph; Supp	•

JOHN H. DANIELS FACULTY OF ARCHITECTURE, LANDSCAPE, AND DESIGN (HBA)

Program	OUAC Program Code	Prerequisites in Addition to English
Architectural Studies	TLA	Supp
Visual Studies	TLB	Supp

FACULTY OF KINESIOLOGY & PHYSICAL EDUCATION (BKin)

Program	OUAC Program Code	Prerequisites in Addition to English
Kinesiology and Physical Education	TPK	Bio/Ch/Ph, M; Supp (rec. Introductory Kinesiology/ Exercise Science)

FACULTY OF INFORMATION (BI)

Program	OUAC Program Code	Prerequisites in Addition to English
Information	TTX	M

FACULTY OF MUSIC (Mus.Bac; Mus.Bac.Perf)

Program	OUAC Program Code	Prerequisites in Addition to English
Artist Diploma - Classical only	TO	Supp; Audition Required
Music • Composition • History, Culture & Theory • Interdisciplinary Music Studies - Classical or Jazz • Music Technology & Digital Media	TZ	Supp; Audition Required
Music Education - Classical or Jazz	TD	Supp; Audition Required
Performance - Classical or Jazz	TX	Supp; Audition Required
