WORLD-CLASS UNIVERSITY

Among the University’s many outstanding resources is its library system, rated one of the top five in North America. More than 40 libraries contain the most comprehensive collection of research material in Canada. There is residence space for over 8,858 students, a health service, an advisory bureau, an international student centre, a career centre, a housing service, restaurants, bookstores, athletic and recreation facilities and facilities for music, theatre and debate.

LOCATION

Toronto is one of the friendliest and safest cities in the world. There are three locations at which students may study. U of T St. George is located in the heart of downtown Toronto; U of T Scarborough is 22 km (14 miles) to the east of U of T St. George; and U of T Mississauga is 27 km (17 miles) to the west of U of T St. George in the city of Mississauga. All three campuses offer studies in arts, science and business; most of the professional faculties are located at U of T St. George.

HOW TO APPLY

Applicants wishing to be considered for admission to several Ontario universities should apply to the University of Toronto through the Ontario Universities’ Application Centre (OUAC) using the “105” application. If you are unable to apply online, you can request a paper application by email: request@ouac.on.ca (subject of email “paper application”); by telephone: 519-823-1063.

Applicants who are interested in applying ONLY to the University of Toronto, who reside outside of Canada and are not currently studying, nor have previously studied, in Canada may apply using the “University of Toronto International application” available at: www.adm.utoronto.ca/applications.

The University of Toronto operates on an academic year rather than on a semester or quarter system. Students begin their studies in September and continue until May of the following year.

The University of Toronto does not deal with agents and it does not recommend that applicants deal with agents.

For more details about application procedures and deadlines, visit our website at www.adm.utoronto.ca.

Application Deadlines

January 13 – Applied Science and Engineering; Architectural Studies and Visual Studies; International Foundation Program; Kinesiology and Physical Education; Music; U of T St. George (Arts, Science, Commerce); U of T Mississauga; U of T Scarborough

February 1 – Medical Radiation Sciences; Nursing

Please note that the recommended deadline for all programs is November 1, 2016.
Student Permit/Visa
If you are not a citizen or permanent resident of Canada, you should apply for a study permit and entry visa (depending on citizenship) as soon as you receive your letter of admission from the University. You can obtain applications for these documents from a Canadian embassy or consulate before departing.

Centre for International Experience
Adapting to a new cultural environment and a new education system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs. Visit www.cie.utoronto.ca.

Guardianship
If you are an international student under the age of 18, you may be asked by Immigration Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

ADMISSION QUALIFICATIONS
Applicants who are competitive for admission to the University of Toronto are among the top third of their class. Only those applicants who have attained a high level of academic achievement and who completely satisfy prerequisites will be admitted. Detailed course descriptions and reading lists may be necessary to ensure that subject requirements have been met. See also English Language Requirements.

For a complete list of admission qualifications including academic and non-academic requirements visit www.adm.utoronto.ca.

Transfer Applicants
Arts, Science, Business (all campuses)
Applicants must meet the minimum admission requirements for their program.

Refer to www.adm.utoronto.ca for detailed information about requirements for your educational jurisdiction.

Applicants who have completed studies beyond the minimum requirements at a recognized postsecondary institution will be considered for a maximum of two years of transfer credits. Transfer credits will be assessed after admission, and once the Transfer Credit Assessment application has been completed. Details will be provided after an offer of admission is made. Interviews may be required.

Applicants who already hold a bachelor’s degree, or have completed more than two years of degree studies at another recognized postsecondary institution can only apply to a different field of study. For instance students who have completed a degree in, or have majored in economics, management, commerce or business, cannot complete a Bachelor of Commerce or Bachelor of Business Administration degree. If admitted to a different program, these applicants will be granted a maximum of one year of transfer credit (five full credit courses).

Undergraduate degree holders who wish to take additional undergraduate courses in their field, perhaps in order to qualify for graduate level studies, may consider applying for Non-degree studies. Please note that it may not be possible to register as a non-degree student in courses that are in high demand.

All Other Program Areas
Excellent academic achievement is required for admission consideration. Applicants admitted to other divisions may receive a statement regarding transfer credit assessment procedures at the time of admission or shortly thereafter or after registration.

Applicants who hold an undergraduate degree in Engineering cannot be offered admission to our undergraduate Engineering faculty.

Professional Faculty Programs Requiring University Preparation
Dentistry; Law; Medical Radiation Sciences; Medicine; Nursing; Pharmacy - for detailed information visit www.utoronto.ca.

SCHOLARSHIPS & FINANCIAL AID
The University of Toronto provides a range of admission scholarships. All applicants are considered automatically for admission scholarships based on their academic performance. Scholarship offers are sent at the same time as our offers of admission.

Canadian citizens and permanent residents living outside Canada are also eligible for the University of Toronto financial aid guarantee that assures support for students with financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program. The University of Toronto is a recognized postsecondary institution for Federal Direct Loans (PLUS/Subsidized/Unsubsidized). Education Savings Plans, and U.S. Federal Education Tax credits are also applicable.

Complete details can be found at www.adm.utoronto.ca/financial-aid/united-states-government.

To obtain a study permit, international students must demonstrate to Citizenship and Immigration Canada that they have sufficient resources to cover tuition and expenses for at least one year of university. Complete details can be found at www.cic.gc.ca.
