HOW TO APPLY
Applicants wishing to be considered for admission to several Ontario universities should apply to the University of Toronto through the Ontario Universities Application Centre (OUAC) using the "105" application. Applicants who are interested in applying only to the University of Toronto, who reside outside of Canada, and who are neither currently studying nor have previously studied in Canada may apply using the "University of Toronto International application." The University of Toronto does not deal with agents and it does not recommend that applicants deal with agents.

We encourage you to apply well in advance of published deadlines. Spaces fill quickly and programs may close before the application deadlines listed below. For complete details: future.utoronto.ca/apply/applying

DOCUMENT DEADLINES
Document deadlines vary by division. For a complete list of document deadlines, visit future.utoronto.ca/apply. We encourage applicants to submit all required documents well in advance of posted deadlines. Once your complete application is received, we will begin to assess your application with next steps.

ADMISSION REQUIREMENTS
Applicants who have attained a high level of academic achievement and who completely satisfy prerequisites will be considered for admission. Minimum requirements for consideration vary by program. You must present all requirements, including prerequisite courses, to be considered. All programs have limited spaces and selection is competitive. Some programs require a supplementary application. Learn more: future.utoronto.ca/apply/requirements

Student Permit/Visa
If you are not a citizen or permanent resident of Canada, you should apply for a study permit and entry visa (depending on your citizenship) as soon as you receive your letter of admission from the University. You can obtain applications for these documents from a Canadian embassy or consulate before departing.

To obtain a study permit, international students must demonstrate to Immigration, Refugees and Citizenship Canada that they have sufficient resources to cover tuition fees and living expenses for at least one year. Complete details can be found at cic.gc.ca

Centre for International Experience
Adapting to a new cultural environment and a new educational system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs: cie.utoronto.ca

Guardianship
If you are an international student under the age of 18, you may be asked by Immigration, Refugees and Citizenship Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

APPLICATION DEADLINES
Applying early allows your application to be considered for a wider range of admission opportunities — and, in many cases, permits earlier decisions.

*Note: see the Bachelor of Information, Nursing, and Medical Radiation Sciences programs for the application deadline.
Academically qualified students who do not meet the English language requirements may be admitted in one of our English language programs. These programs, if completed successfully, will allow student to meet our English language requirement. They are offered on such a course-by-course basis.

### English Language Requirements

Proof of adequate English facility is required. Applicants are admitted if they have achieved satisfactory academic progress at least four years of full-time study in an English language school system located in a country where the dominant language is English, or have achieved satisfactory academic progress at least four years of full-time study in Canada.

#### Common English Proficiency Tests/Qualifications

- **International English Language Testing System (IELTS) Academic:** The minimum requirement is an overall band of 6.5 with no band lower than 6.0.
- **Test of English as a Foreign Language (TOEFL) Internet-based test:** The minimum requirement is a total score of 100 with 22 on the Writing section.
- **Academic English Course, School of Continuing Studies, University of Toronto:** A score of 4 (predicted or final). English A: Language and Literature with a score of B. English B (higher level) is not acceptable.
- **Academia English (ACE@UTSC) Academic:** The minimum requirement is an overall band of 5.5 with no band lower than 5.0.
- **Academic English Program (ACE@UTM):** The minimum requirement is an overall band of 6.0 with no band lower than 5.0.
TUITION FEES 2020–21

The cost of attending university varies depending on your program of study and place of residence in Canada, full-time, for one to three years.

WORKING IN CANADA

International students are permitted to work part-time and may be able to incorporate paid work terms into their academic programs. After you graduate, you may be allowed to live and work in Canada, full-time, for up to three years.

SCHOLARSHIPS & FINANCIAL AID

All applicants are considered automatically for admission scholarships based on their academic performance. Scholarship offers are generally sent with our offers of admission. The University of Toronto has longstanding commitments to providing access through financial support. Canadian citizens and permanent residents who are living outside Canada are also eligible for the University of Toronto’s financial aid support for students in financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program (FFDL) and the Unsubsidized Federal Direct Loan Program (FDLP) (also known as Stafford Loans), Education Canada, and the U.S. Federal Education Tax Credits. Complete details can be found at uoft.me/usloans.

How to apply

Applicants wishing to be considered for admission to the University of Toronto must apply through the University of Toronto Undergraduate Admissions Application Centre (UAC) using the UAC application. Applicants can interview as part of their UAC application only if they have been shortlisted by the University of Toronto International Office. To ensure admission, all applicants to the University of Toronto must be evaluated by all agents and their current and previous educational achievements and experience documented and certified.

International students are required to attend a language assessment testing session while in Toronto. If your primary language is not English, please contact the Centre for International Experience (CIE) at cie@utoronto.ca to arrange for this test. The English Language Assessment test is administered at the International Centre for the University of Toronto Mississauga.

Student Parent/Visa

If you are not a citizen or permanent resident of Canada, you must have an approved study permit and a valid visa depending on your country of origin. Please ensure you complete the online section of the Centre for International Experience at cie.utoronto.ca/appform/apply.html to ensure admission.

Admission requirements

Applicants who wish to be considered for admission must meet the minimum requirements set for each of their degree programs. This includes both undergraduate and graduate studies. All applicants are encouraged to apply early to ensure a timely review.

University transfer applicants

Applicants to the University of Toronto are required to meet the minimum admission requirements set for each of their degree programs. This includes both undergraduate and graduate studies. All applicants are encouraged to apply early to ensure a timely review.

University of Toronto Scholarships

The University of Toronto offers a wide range of scholarships for undergraduate and graduate studies. These scholarships are available to domestic and international students.

ELearning and Technology

The University of Toronto has a long history of providing online courses and programs. These programs are designed to be flexible and accessible, allowing students to complete their studies from anywhere in the world.

Career Centre

The University of Toronto has a dedicated Career Centre that offers resources and support to students and alumni. This includes career development, job search assistance, and networking opportunities.

Future Students
