HOW TO APPLY

All prospective applicants apply through the Ontario Universities Application Centre (OUAC). For details on application procedures and deadlines, please visit: future.utoronto.ca/apply/applying

We encourage you to apply well in advance of the published deadlines. Admission is competitive and spaces fill quickly.

Full-Time Degree Applicants

Full-time studies begin in September only.

Ontario Secondary School Applicants

If you are a current full-time Ontario secondary school student, you can apply through the OUAC “101” online application. Your school will also send your marks through the OUAC.

All Other Applicants

Apply online using the "105" application. If you were previously registered or are currently registered at U of T, apply online using the "Internal" application. For details, visit: future.utoronto.ca/apply/applying

We strongly encourage you to apply by November 7, 2020.

Part-Time Degree Applicants

Part-time degree studies begin in September or May only. Apply online using the Part-Time Degree application, which is available at future.utoronto.ca/apply/applying

For a complete list of programs that are offered as part-time, refer to the online application. Part-time students can take courses during the day or evening (if available). Students who can attend classes only in the evening should consult their target academic divisions for guidance on class times.

Non-Degree Applicants

Non-degree students begin in September or May only. If you wish to enrol in arts and/or science courses but not toward a degree, apply using the Non-Degree application at future.utoronto.ca/apply/applying.

Please note that it may not be possible to register in courses that are in high demand.

If you are interested in non-degree studies in a professional division (Architecture, Landscape and Design; Applied Science & Engineering; Kinesiology & Physical Education; Music), contact the division directly.

DOCUMENT DEADLINES
Document deadlines vary by division. We encourage you to submit all required documents well in advance of the posted deadlines. Spaces in programs are filled on an ongoing basis and programs may close before the published document deadlines. For a complete list of document deadlines, see future.utoronto.ca

Once we receive your application, we will send you an email acknowledgement, including full details on next steps in the application process.

ADMISSION REQUIREMENTS
Applicants who have attained a high level of academic achievement and who completely satisfy prerequisites will be considered for admission. The minimum requirements for consideration vary by program and admission category. You must present all requirements, including prerequisite courses, to be considered.

All programs have limited spaces and the selection process is competitive. Some programs require a supplementary application. For full admission requirements by program, see future.utoronto.ca/apply/requirements

Ontario Colleges of Applied Arts and Technology (CAAT) / Institutes of Technology and Advanced Learning
Excellent overall grade point average in an academic program is required for admission consideration. Applicants must present the Grade 12 U or M level and all supplementary course prerequisites for programs requiring Calculus and Advanced Functions. Details can be found on the reverse of this bulletin under Canadian Secondary School Requirements, as well as at uoft.me/IBDiploma.

Transfer credit toward arts, science, and commerce/management programs is considered for some academic AP and IB subjects. Learn more: uoft.me/transferal

International Students
The complete Diploma, including English, Math, and 3 required Math Studies, is not acceptable for any program with a Math prerequisite. For programs requiring Calculus and Advanced Functions, details can be found on the reverse of this bulletin under Canadian Secondary School Requirements, as well as at uoft.me/IBDiploma.

Transfer credit toward arts, science, and commerce/management programs is considered for some arts, science, and commerce subjects. Contact us if you have a grade of at least 5. Learn more: uoft.me/transferal.

For specific transfer articulation agreements and more information on Ontario colleges, contact us at future.utoronto.ca/pathways.
UNIVERSITY TRANSFER APPLICANTS

Applicants interested in transferring from recognized degree-granting institutions, including public universities, to the University of Toronto and who meet the minimum academic requirements for the program of their choice may be admitted to the program of their choice. Applicants are required to provide transcripts from all postsecondary institutions attended. In addition, a minimum 3.0 (on a 4.0 scale) is required for all secondary and postsecondary level study in Canada. See the website for details.

SCHOLARSHIPS & FINANCIAL AID

The University has comprehensive underwritings and financial aid programs that provide financial support and recognition to outstanding academic performance at different levels of study. The University, its colleges, and its faculties, award $500 million in scholarships and entrance awards each year. The University of Toronto Financial Assistance website provides information on financial assistance for undergraduate students. The University of Toronto Financial Assistance website also includes information on Student Financial Support that all students are required to complete each term for the University of Toronto to ensure that they do not have sufficient funds. This commitment to students who are Canadian Citizens, Permanent Residents or Protected Persons means that the University will supplement any financial assistance that may not be sufficient for full-time study. The financial assistance is called UTAPS, or University of Toronto Advanced Planning for Students. Learn more: utafs.utoronto.ca.

U of T Scholars Program

The University of Toronto Scholars Program recognizes outstanding students. In 2020, we offered approximately 1,200 admission awards to incoming first-year students, valued at $7,500. All applicants are assessed automatically for these scholarships based on their academic performance.

President’s Scholarship of Excellence

Approximately 1% of the most highly qualified students applying in first year of direct-entry undergraduate studies will be distinguished as President’s Scholars of Excellence. This distinction includes a $10,000 enhancement scholarship for first year, guaranteed access to part-time, on-campus employment during second year, and guaranteed access to an international learning opportunity during the student’s undergraduate experience. Applications are automatically assessed for these scholarships.

National Scholarship Program

The National Scholarship recognizes Canadian secondary school students who are outstanding academically, demonstrate undergone or interest in Canada, and academic pursuits. Each year approximately ten students are named National Scholars and ten are named Arbor Scholars. This financial assurance is called UTAPS, or University of Toronto Advanced Planning for Students. Learn more: future.utoronto.ca/national-scholarship.

Lester B. Pearson International Scholarship

When the National Scholarship Program is completed for Canadian students, international students studying in Canada can be nominated for the Lester B. Pearson International Scholarship. Learn more at pearson.utoronto.ca.

Other Awards

Awards which recognize factors such as financial need, outstanding leadership, community involvement or excellence in academic pursuits, demonstrate enthusiasm for intellectual exploration and have a strong commitment to part-time, on-campus employment during second year, and guaranteed access to an international learning opportunity during the student’s undergraduate experience. They recognize academic performance, demonstrate enthusiasm for intellectual exploration and have a strong commitment to part-time, on-campus employment during second year, and guaranteed access to an international learning opportunity during the student’s undergraduate experience. Housing & Residence 2021-22

Residence is guaranteed for all new full-time students entering their first year of university in an undergraduate program for the first time, provided that they have indicated their interest in residence by completing the First Year StarRes application by March 31, and receive and accept an offer of admission by June 5. Students must respond to all deadlines and meet all deposit requirements in order to maintain their eligibility. Each of our three campuses has a student housing office where you can learn more about living on- and off-campus.
