# 1 UNIVERSITY 3 CAMPUSES

Established in 1827, the University of Toronto is among North America's most renowned universities. U of T is Canada's #1 university, according to the Times Higher Education World University Rankings, the QS World University Rankings, and the Shanghai Jiao Tong University's Academic Ranking of World Universities. No other Canadian university offers as wide a range of resources, programs, and opportunities.

## HOW TO APPLY

Applicants wishing to be considered for admission to several Ontario universities should apply to the University of Toronto through the Ontario Universities' Application Centre (OUAC) using the "105" application.

Applicants who are interested in applying *only* to the University of Toronto, who reside outside of Canada, and who are neither currently studying nor have previously studied in Canada may apply using the "University of Toronto International application."

The University of Toronto does not deal with agents and it does not recommend that applicants deal with agents.

We encourage you to apply well in advance of published deadlines. Spaces fill quickly and programs may close before the application deadlines listed below. For complete details: [future.utoronto.ca/apply/applying](https://future.utoronto.ca/apply/applying)

## APPLICATION DEADLINES

Submitting a complete application as early as possible allows your application to be considered for a wider range of admission opportunities — and, in many cases, permits earlier decisions.

Campus/Program Area	Recommended date for early consideration	Official Deadline

Architecture, Landscape and Design	November 7	January 13
Music	November 7	January 13

\*Note that our Bachelor of Information, Nursing, and Medical Radiation Sciences have prerequisites at the university level.

## DOCUMENT DEADLINES

Document deadlines vary by division. For a complete list of document deadlines, visit [future.utoronto.ca/apply](https://future.utoronto.ca/apply). We encourage applicants to submit all required documents well in advance of posted deadlines. Once we receive your application, we will send you an email acknowledgement with next steps.

## ADMISSION REQUIREMENTS

Applicants who have attained a high level of academic achievement and who completely satisfy prerequisites will be considered for admission. Minimum admission requirements vary by educational jurisdiction and program of study. You must present all requirements, including prerequisite courses, to be considered. All applicants are required to present a Senior Year/Grade 12 English course for admission consideration. All programs have limited spaces and selection is competitive. Some programs require a supplementary application. More at: [future.utoronto.ca/apply/requirements](https://future.utoronto.ca/apply/requirements)

## Student Permit/Visa

If you are not a citizen or permanent resident of Canada, you should apply for a study permit and entry visa (depending on your citizenship) as soon as you receive your letter of admission from the University. You can obtain applications for these documents from a Canadian embassy or consulate before departing.

To obtain a study permit, international students must demonstrate to Immigration, Refugees and Citizenship Canada that they have sufficient resources to cover tuition fees and all living expenses for at least one year. Complete details can be found at [cic.gc.ca](https://cic.gc.ca)

## Centre for International Experience

Adapting to a new cultural environment and a new educational system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs: [cie.utoronto.ca](https://cie.utoronto.ca)

## Guardianship

If you are an international student under the age of 18, you may be asked by Immigration, Refugees and Citizenship Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

## UNIVERSITY TRANSFER APPLICANTS

Applicants interested in transferring from recognized postsecondary institutions, along with current University of Toronto students across all three campuses, must meet the minimum admission requirements for their program. Find requirements for your educational jurisdiction at [future.utoronto.ca](https://future.utoronto.ca)

Some programs do not consider applications from students who have attended other postsecondary institutions. Be sure the program in which you are interested will consider your application.

Applicants are required to provide transcripts for all secondary and postsecondary level study completed. Admission consideration is based on the overall academic record, with an emphasis on the most recent (or highest) level of study completed, and results in prerequisite subjects.

Applicants who have completed studies beyond the minimum requirements at a recognized postsecondary institution may be granted transfer credits if admitted to a first-entry bachelor's degree program. Transfer credits will be assessed after admission, and after the Transfer Credit Assessment application, if required, has been completed. Details will be provided after an offer of admission is made. Interviews may be required.

Applicants who already hold a bachelor's degree from another postsecondary institution can only apply to a different field of study. For instance, students who have completed a degree in, or have majored in, economics, management, commerce or business, cannot complete our Bachelor of Commerce or Bachelor of Business Administration. If admitted to a different program, these applicants will be granted a maximum of one year of transfer credits (five full credit courses). Applicants who already hold an undergraduate degree in Engineering are not eligible for undergraduate studies at U of T Engineering.

Undergraduate degree holders who wish to take additional undergraduate courses, perhaps in order to qualify for graduate studies, may consider applying for Non-degree studies. Please note that it may not be possible to register as a Non-degree student in courses that are in high demand.

Learn more: [future.utoronto.ca/apply/transfer-credit-information](https://future.utoronto.ca/apply/transfer-credit-information)

U of T Engineering welcomes engineering and science students interested in transferring from other universities. Transfer credits are awarded on a course-by-course basis at the time of admission. Read more: [uoft.me/ENGtransfer](https://uoft.me/ENGtransfer)

## ENGLISH LANGUAGE REQUIREMENTS

Proof of adequate English facility is required from all applicants except for those:

- whose first language (i.e., the language learned at home as a child) is English; or
- who have achieved satisfactory results in at least four years of full-time academic study in an English language school system located in a country where the dominant language is English; or
- whose first language is French and who have achieved satisfactory results in at least four years of full-time academic study in Canada.

### Common English Proficiency Tests/Qualifications

Please note that other English Language Tests/Qualifications are also considered. For a comprehensive list and complete details on our English language proficiency requirements, be sure to visit [uoft.me/elr](https://uoft.me/elr)

**Test of English as a Foreign Language (TOEFL) Internet-based test:** The minimum requirement is a total score of 100 with 22 on the Writing section.

**International English Language Testing System (IELTS) Academic:** The minimum requirement is an overall band of 6.5 with no band lower than 6.0.

**Duolingo English Test:** The minimum requirement is an overall score of 120.

**International Baccalaureate English:** The minimum requirement is Higher Level or Standard Level English A: Literature or English A: Language and Literature with a score of 4 (predicted or final). English B Higher Level is not acceptable.

**GCSE/IGCSE/GCE O Level English:** The minimum requirement is English or English Language or English as a Second Language with a final grade of 'B' (or '6' in reformed qualifications).

**GCE A/AS Level English:** The minimum requirement is English or English Language with grade of 'C.'

**Academic English Course, School of Continuing Studies, University of Toronto:** The minimum requirement is completion of Academic English Level 60 with grade of 'B'. Learn more: [english.learn.utoronto.ca](https://english.learn.utoronto.ca)

Academically qualified students who do not meet our English language requirements may be interested in one of our English language programs. These programs, if completed successfully, will allow students to meet our English language requirement. They are offered on each campus and range in length from six weeks to eight months. Such programs include:

## WORKING IN CANADA

International students are permitted to work part-time and may be able to incorporate paid work terms into their academic programs. After you graduate, you may be allowed to live and work in Canada, full-time, for up to three years.

### Work as Part of Your Academic Program

Paid work placements are part of Co-op programs at UTSC, the Professional Experience Year Co-op Program available to Engineering students and eligible UTM students, and the Arts & Science Internship Program available to eligible Faculty of Arts & Science students:

[uoft.me/peycoop](https://uoft.me/peycoop)

[uoft.me/asip](https://uoft.me/asip)

### Part-Time Work

Part-time work on or off campus allows you to earn extra spending money. Not only is it an excellent opportunity to gain practical Canadian work experience, but it will also allow you to expand your social experiences.

You may obtain permission to work part-time off campus following six months of study. You may also stay in the Greater Toronto Area and work full-time during holidays and between academic terms. Learn more: [uoft.me/cie](https://uoft.me/cie)

### Finding Work

Our Career Centres can help you to prepare for job interviews, research career paths, find jobs, and much more: [uoft.me/careers](https://uoft.me/careers)

## SCHOLARSHIPS & FINANCIAL AID

All applicants are considered automatically for admission scholarships based on their academic performance. Scholarship offers are generally sent with our offers of admission.

To explore all U of T scholarship opportunities, including those that require a separate application, visit: [awardexplorer.utoronto.ca](https://awardexplorer.utoronto.ca)

The University of Toronto has a longstanding commitment to promoting access through financial support. Canadian citizens and permanent residents who are living outside Canada are also eligible for the University of Toronto's financial aid support for students in financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program. The University of Toronto is a recognized postsecondary institution for Federal Direct Loans (PLUS/Subsidized/Unsubsidized). Education Savings Plans, and U.S. Federal Education Tax credits are also applicable. Complete details can be found at: [uoft.me/usloans](https://uoft.me/usloans)

### U of T Engineering Scholarships

## PROGRAMS OF STUDY: ARTS, SCIENCE & BUSINESS

### ADMISSION CONSIDERATION

All program areas require Senior Year/Grade 12 English. Mathematics (including Calculus) is required for programs with Mathematics prerequisites. The admission selection process is based on your complete academic record, including results in prerequisite subjects, plus requested supplementary or profile information. Admission is competitive and subject to space availability. The University of Toronto reserves the right to give preference to students whose grades are the result of a single attempt at each course. Details about admission requirements pertaining to your educational jurisdiction are available at [future.utoronto.ca](http://future.utoronto.ca)

## PROGRAMS OF STUDY: PROFESSIONAL FACULTIES AT U OF T ST. GEORGE

### FACULTY OF APPLIED SCIENCE & ENGINEERING (BASC; BASC IN ENGINEERING SCIENCE)

All applicants are required to submit an Online Student Profile, for which a fee will be charged. The Admissions Committee considers a candidate's overall academic history with emphasis on the prerequisite course average, along with the information provided in the Online Student Profile. Math with calculus is required for studies in Engineering. In cases where applicants are not able to present a required prerequisite subject through their high school, it may be replaced with an approved alternative. Contact the Engineering Undergraduate Admissions Office for details.

U of T Engineering students can customize their learning through cross-disciplinary minors and certificates, the Professional Experience Year Co-op Program, specialized leadership and entrepreneurship programming and more. Learn more at: [uoft.me/discoverENG](http://uoft.me/discoverENG)

Program	OUAC Program Code	Admission Prerequisites

## SCHOLARSHIPS & FINANCIAL AID

Lester B. Pearson International Scholarships

- ✓ Tuition for 4 years
- ✓ Living costs
- ✓ Fees & books

Covering tuition fees and living expenses for international students is a significant financial need. The University of Toronto has a long-standing commitment to providing financial support for students from over 160 countries and more than 900 municipalities. Imagine enriched learning with a unique community of students, alongside brilliant professors who are shaping the future of their fields. As a Pearson Scholar, you will gain a global perspective on issues that matter most to you.

Learn more at [pearson.utoronto.ca](https://pearson.utoronto.ca)

Part-time work on or off-campus allows you to earn extra spending money. Not only is an excellent opportunity to gain practical Canadian work experience, but it will also allow you to expand your social experiences. You may obtain permission to work part-time off-campus following six months of study. You will also stay in the Greater Toronto Area and work full-time during holidays and between academic terms. Learn more: [uoft.me/careers](https://uoft.me/careers)

Our Career Centres can help you to prepare for job interviews, research career paths, find jobs, and much more: [uoft.me/careers](https://uoft.me/careers)

Note: Tuition fees increase in the second year of some programs. A complete tuition fee schedule is available at [studentaccounts.utoronto.ca/tuition-fees](https://studentaccounts.utoronto.ca/tuition-fees)

Includes compulsory university health insurance plan (\$76 Canadian dollar). Learn more at [studenthealth.utoronto.ca/healthplan](https://studenthealth.utoronto.ca/healthplan)
