TORONTO

2022-23 INTERNATIONAL UNDERGRADUATE ADMISSIONS BULLETIN

**1 University,
3 Campuses.**

St. George

Mississauga

Scarborough

1 UNIVERSITY 3 CAMPUSES

Established in 1827, the University of Toronto is among North America's most renowned universities. U of T is Canada's #1 university, according to the Times Higher Education World University Rankings, the QS World University Rankings, and the Shanghai Jiao Tong University's Academic Ranking of World Universities. No other Canadian university offers as wide a range of resources, programs, and opportunities.

HOW TO APPLY

Applicants wishing to be considered for admission to several Ontario universities should apply to the University of Toronto through the Ontario Universities' Application Centre (OUAC) using the "105" application.

Applicants who are interested in applying *only* to the University of Toronto, who reside outside of Canada, and who are neither currently studying nor have previously studied in Canada may apply using the "University of Toronto International application."

The University of Toronto does not deal with agents and it does not recommend that applicants deal with agents.

We encourage you to apply well in advance of published deadlines. Spaces fill quickly and programs may close before the application deadlines listed below. For complete details: future.utoronto.ca/apply/applying

APPLICATION DEADLINES

Submitting a complete application as early as possible allows your application to be considered for a wider range of admission opportunities — and, in many cases, permits earlier decisions.

Campus/Program Area	Recommended date for early consideration	Official Deadline
ARTS, SCIENCE, COMMERCE/MANAGEMENT		
U of T St. George	November 7	January 13
U of T Mississauga	November 7	January 13
U of T Scarborough	November 7	January 13
PROFESSIONAL FACULTIES		
Applied Science & Engineering	November 7	January 13
Architecture, Landscape, and Design	November 7	January 13
Bachelor of Information*	November 7	May 15
Kinesiology & Physical Education	November 7	January 13
Music	November 7	January 13
Medical Radiation Sciences*	November 7	February 1
Nursing*	November 7	January 15
INTERNATIONAL FOUNDATION PROGRAMS		
Arts & Science	November 7	January 13
Applied Science & Engineering	November 7	January 13
Architecture, Landscape and Design	November 7	January 13
Music	November 7	January 13

*Note that our Bachelor of Information, Nursing, and Medical Radiation Sciences have prerequisites at the university level.

DOCUMENT DEADLINES

Document deadlines vary by division. For a complete list of document deadlines, visit future.utoronto.ca/apply. We encourage applicants to submit all required documents well in advance of posted deadlines. Once we receive your application, we will send you an email acknowledgement with next steps.

ADMISSION REQUIREMENTS

Applicants who have attained a high level of academic achievement and who completely satisfy prerequisites will be considered for admission. Minimum admission requirements vary by educational jurisdiction and program of study. You must present all requirements, including prerequisite courses, to be considered. All applicants are required to present a Senior Year/Grade 12 English course for admission consideration. All programs have limited spaces and selection is competitive. Some programs require a supplementary application. More at: future.utoronto.ca/apply/requirements

Student Permit/Visa

If you are not a citizen or permanent resident of Canada, you should apply for a study permit and entry visa (depending on your citizenship) as soon as you receive your letter of admission from the University. You can obtain applications for these documents from a Canadian embassy or consulate before departing.

To obtain a study permit, international students must demonstrate to Immigration, Refugees and Citizenship Canada that they have sufficient resources to cover tuition fees and all living expenses for at least one year. Complete details can be found at cic.gc.ca

Centre for International Experience

Adapting to a new cultural environment and a new educational system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs: cie.utoronto.ca

Guardianship

If you are an international student under the age of 18, you may be asked by Immigration, Refugees and Citizenship Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

UNIVERSITY TRANSFER APPLICANTS

Applicants interested in transferring from recognized postsecondary institutions, along with current University of Toronto students across all three campuses, must meet the minimum admission requirements for their program. Find requirements for your educational jurisdiction at future.utoronto.ca

Some programs do not consider applications from students who have attended other postsecondary institutions. Be sure the program in which you are interested will consider your application.

Applicants are required to provide transcripts for all secondary and postsecondary level study completed. Admission consideration is based on the overall academic record, with an emphasis on the most recent (or highest) level of study completed, and results in prerequisite subjects.

Applicants who have completed studies beyond the minimum requirements at a recognized postsecondary institution may be granted transfer credits if admitted to a first-entry bachelor's degree program. Transfer credits will be assessed after admission, and after the Transfer Credit Assessment application, if required, has been completed. Details will be provided after an offer of admission is made. Interviews may be required.

Applicants who already hold a bachelor's degree from another postsecondary institution can only apply to a different field of study. For instance, students who have completed a degree in, or have majored in, economics, management, commerce or business, cannot complete our Bachelor of Commerce or Bachelor of Business Administration. If admitted to a different program, these applicants will be granted a maximum of one year of transfer credits (five full credit courses). Applicants who already hold an undergraduate degree in Engineering are not eligible for undergraduate studies at U of T Engineering.

Undergraduate degree holders who wish to take additional undergraduate courses, perhaps in order to qualify for graduate studies, may consider applying for Non-degree studies. Please note that it may not be possible to register as a Non-degree student in courses that are in high demand.

Learn more: future.utoronto.ca/apply/transfer-credit-information

U of T Engineering welcomes engineering and science students interested in transferring from other universities. Transfer credits are awarded on a course-by-course basis at the time of admission. Read more: uoft.me/ENGtransfer

ENGLISH LANGUAGE REQUIREMENTS

Proof of adequate English facility is required from all applicants except for those:

- whose first language (i.e., the language learned at home as a child) is English; or
- who have achieved satisfactory results in at least four years of full-time academic study in an English language school system located in a country where the dominant language is English; or
- whose first language is French and who have achieved satisfactory results in at least four years of full-time academic study in Canada.

Common English Proficiency Tests/Qualifications

Please note that other English Language Tests/Qualifications are also considered. For a comprehensive list and complete details on our English language proficiency requirements, be sure to visit uoft.me/elr

Test of English as a Foreign Language (TOEFL) Internet-based test: The minimum requirement is a total score of 100 with 22 on the Writing section.

International English Language Testing System (IELTS) Academic: The minimum requirement is an overall band of 6.5 with no band lower than 6.0.

Duolingo English Test: The minimum requirement is an overall score of 120.

International Baccalaureate English: The minimum requirement is Higher Level or Standard Level English A: Literature or English A: Language and Literature with a score of 4 (predicted or final). English B Higher Level is not acceptable.

GCSE/IGCSE/GCE O Level English: The minimum requirement is English or English Language or English as a Second Language with a final grade of 'B' (or '6' in reformed qualifications).

GCE A/AS Level English: The minimum requirement is English or English Language with grade of 'C.'

Academic English Course, School of Continuing Studies, University of Toronto: The minimum requirement is completion of Academic English Level 60 with grade of 'B'. Learn more: english.learn.utoronto.ca

Academically qualified students who do not meet our English language requirements may be interested in one of our English language programs. These programs, if completed successfully, will allow students to meet our English language requirement. They are offered on each campus and range in length from six weeks to eight months. Such programs include:

- **International Foundation Program**
uoft.me/intfp
- **Academic English (AE@UTSC)**
uoft.me/utscae
- **Academic Culture and English Program (ACE@UTM)** uoft.me/utmace

SECOND-ENTRY PROGRAMS

Many programs have admission prerequisites at the postsecondary level. Learn more at:

WORKING IN CANADA

International students are permitted to work part-time and may be able to incorporate paid work terms into their academic programs. After you graduate, you may be allowed to live and work in Canada, full-time, for up to three years.

Work as Part of Your Academic Program

Paid work placements are part of Co-op programs at UTSC, the Professional Experience Year Co-op Program available to Engineering students and eligible UTM students, and the Arts & Science Internship Program available to eligible Faculty of Arts & Science students:

uoft.me/uoftscarborough

uoft.me/peycoop

uoft.me/asip

Part-Time Work

Part-time work on or off campus allows you to earn extra spending money. Not only is it an excellent opportunity to gain practical Canadian work experience, but it will also allow you to expand your social experiences. You may obtain permission to work part-time off campus following six months of study. You may also stay in the Greater Toronto Area and work full-time during holidays and between academic terms. Learn more: uoft.me/cie

Finding Work

Our Career Centres can help you to prepare for job interviews, research career paths, find jobs, and much more: uoft.me/careers

SCHOLARSHIPS & FINANCIAL AID

All applicants are considered automatically for admission scholarships based on their academic performance. Scholarship offers are generally sent with our offers of admission. To explore all U of T scholarship opportunities, including those that require a separate application, visit: awardexplorer.utoronto.ca

The University of Toronto has a longstanding commitment to promoting access through financial support. Canadian citizens and permanent residents who are living outside Canada are also eligible for the University of Toronto's financial aid support for students in financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program. The University of Toronto is a recognized postsecondary institution for Federal Direct Loans (PLUS/Subsidized/Unsubsidized). Education Savings Plans, and U.S. Federal Education Tax credits are also applicable. Complete details can be found at: uoft.me/usloans

U of T Engineering Scholarships

The Faculty of Applied Science & Engineering has scholarships available for international students: uoft.me/engscholarship

Lester B. Pearson International Scholarships

- ✓ Tuition for 4 years
- ✓ Living costs
- ✓ Fees & books

Covering tuition fees and living expenses for four years, the Lester B. Pearson International Scholarships at the University of Toronto offer you access to an unparalleled experience in undergraduate education. Imagine a top-ranked university located in one of the world's most welcoming multicultural cities, where students come from over 160 countries and more than 900 municipalities. Imagine enriched learning within a unique community of students, alongside brilliant professors who are shaping the future of their fields. As a Pearson Scholar, you will gain a global perspective on issues that matter most to you.

TUITION FEES 2021-22

The cost of attending university varies depending on your program of study and place of residence during the Fall-Winter academic year.

Tuition and Incidental Fees (subject to change)	International Student*		Canadian Citizen, Permanent Resident	
	\$ CAD	\$ USD*	\$ CAD	\$ USD*
Applied Science & Engineering	\$64,822.60	\$53,699.04	\$15,996.60	\$13,251.58
Architecture, Landscape, and Design	\$59,795.54	\$49,534.63	\$7,735.54	\$6,408.12
Arts, Science, Commerce, and Management (U of T St. George, U of T Mississauga and U of T Scarborough)	\$60,556.70 – \$61,131.01	\$50,165.17 – \$50,640.93	\$7,740.70 – \$8,315.01	\$6,412.40 – \$6,888.15
Music	\$42,519.54	\$35,223.19	\$8,303.54	\$6,878.65
Kinesiology & Physical Education	\$42,716.54	\$35,386.38	\$7,740.54	\$6,412.26

* Includes compulsory university health insurance plan (\$756 Canadian dollars). Learn more at studentlife.utoronto.ca/cie/uhip

* Currency conversion calculated on June 1, 2021. Current currency conversions are available at bankofcanada.ca

Note: Tuition fees increase in the second year of some programs. A complete tuition fee schedule is available at studentaccount.utoronto.ca/tuition-fees

HOUSING & RESIDENCE 2022-23

Residence is guaranteed for all new full-time students entering their first year of university in an undergraduate program for the first time, provided that they have indicated their interest in residence by completing the First Year StarRez application by **March 31**, and receive and accept an offer of admission by **June 1**. Students must respond to all deadlines and meet all deposit requirements in order to maintain their eligibility. Each of our three campuses has a student housing office where you can learn more about living on- and off-campus.

PROGRAMS OF STUDY: ARTS, SCIENCE & BUSINESS

700+ Ways to Build Your Future

Over the next few pages, you'll find our program options, the high school subjects they require, and which University of Toronto campus or faculty houses each set of programs. Have a look at the legend below before diving in. If you would like to browse equivalent prerequisites from common international high school systems, flip over to pp. 18-19. And if you have any questions, please feel free to reach out anytime: uoft.me/questions

A Note on Admission Consideration

All program areas require Senior Year/Grade 12 English. Mathematics (including Calculus) is required for programs with Mathematics prerequisites. The admission selection process is based on your complete academic record, including results in prerequisite subjects, plus requested supplemental or profile information. Admission is competitive and subject to space availability. The University of Toronto reserves the right to give preference to students whose grades are the result of a single attempt at each course. Complete details on admission requirements pertaining to your educational jurisdiction are available at future.utoronto.ca

When building an Arts, Science, or Business degree on your chosen campus, you can mix and match Specialist (9-16 credits), Major (6-9 credits), and Minor (4-5 credits) programs to suit your goals. For example, you can pursue a Specialist, or two Majors, or one Major and two Minors. Overall, in your undergraduate degree, you will take at least 20 credits across your chosen subject areas.

TRI-CAMPUS LEGEND: PROGRAMS AND THEIR PREREQUISITES

Bio = Biology

Ch = Chemistry

E = English

Fr = French

Ita = Italian

M = Mathematics, incl. Calculus

Programs are structured to be completed in four years, except for Co-op International Development Studies and the Double Degree (BBA/HBSc), which take five years to complete. Applicants to Management, Paramedicine, International Development Studies, and the Double Degree (BBA & HBSc) must complete a Supplemental Application: utsc.utoronto.ca/admissions/saf

* U of T degree plus Centennial College diploma earned.

** U of T degree plus Centennial College certificate earned.

*** While not required for admission, to pursue International Development Studies (HBSc stream), you will need to have completed Advanced Functions and Biology; Chemistry is recommended.

§ Not direct entry from high school. At least one year of postsecondary required.

‡ Not available for international students.

‡ Limited to high school applicants.

‡ Applicants who have completed the Paramedicine diploma program at Centennial College will also be considered.

UTSC offers a number of Combined Degree Programs (CDPs). These are not direct-entry from high school. Applicants to a CDP must be enrolled in good standing in a BBA, HBA, or HBSc program to qualify for conditional admission to their target graduate program, typically in their third year of full-time undergraduate study. Learn more at: uoft.me/utsc-cdp

¹ This program is available as a combined degree option that confers both the Bachelor's degree and a Master of Teaching.

² This program is available as a combined degree option that confers both the Bachelor's degree and a Master of Environmental Science.

³ This program is available as a combined degree option that confers both the Bachelor's degree and a Master of Social Work.

⁴ This program is available as a combined degree option that confers both the Bachelor's degree and a Master of Engineering.

⁵ This program is available as a combined degree option that confers both the Bachelor's degree and a Master of Accounting & Finance.

PROGRAMS OF STUDY: PROFESSIONAL FACULTIES AT U OF T ST. GEORGE

FACULTY OF APPLIED SCIENCE & ENGINEERING (BASC; BASC IN ENGINEERING SCIENCE)

All applicants are required to submit an Online Student Profile, for which a fee will be charged. The Admissions Committee considers a candidate's overall academic history with emphasis on the prerequisite course average, along with the information provided in the Online Student Profile. Math with calculus is required for studies in Engineering. In cases where applicants are not able to present a required prerequisite subject through their high school, it may be replaced with an approved alternative. Contact the Engineering Undergraduate Admissions Office for details.

U of T Engineering students can customize their learning through cross-disciplinary minors and certificates, the Professional Experience Year Co-op Program, specialized leadership and entrepreneurship programming and more. Learn more at: uoft.me/discoverENG

Program	OUAC Program Code	Admission Prerequisites
Chemical Engineering	TB	E, M, Ch, Ph
Civil Engineering	TV	E, M, Ch, Ph
Computer Engineering	TCS	E, M, Ch, Ph
Electrical Engineering	TE	E, M, Ch, Ph
Engineering Science	TK	E, M, Ch, Ph
Industrial Engineering	TI	E, M, Ch, Ph
Materials Engineering	TTM	E, M, Ch, Ph
Mechanical Engineering	TM	E, M, Ch, Ph
Mineral Engineering	TG	E, M, Ch, Ph
TrackOne, Undeclared Engineering	TEO	E, M, Ch, Ph

Once registered in one of the above programs, Engineering students may pursue any of ten available minors: Artificial Intelligence Engineering, Advanced Manufacturing, Bioengineering, Biomedical Engineering, Engineering Business, Environmental Engineering, Music Performance, Nanoengineering, Robotics and Mechatronics, and Sustainable Energy. For complete details on eligibility and requirements, see: uoft.me/engineering-minors

JOHN H. DANIELS FACULTY OF ARCHITECTURE, LANDSCAPE, AND DESIGN (HBA)

All students are required to complete the One Idea supplemental application to be considered for admission. The deadline for the One Idea supplemental application is **February 1, 2022**. Complete details can be found at uoft.me/oneidea. Please note that both professions of Architecture and Landscape Architecture require a graduate degree at the master's level.

Program	OUAC Program Code	Admission Prerequisites
Architectural Studies	TLA	E
Visual Studies	TLB	E

PROGRAMS OF STUDY: PROFESSIONAL FACULTIES AT U OF T ST. GEORGE, CONTINUED

FACULTY OF MUSIC (MUSBAC; MUSBACPERF)

All applicants are required to submit a Music Questionnaire by January 13, 2022. The Music Questionnaire will be available online at uoft.me/applyundergrad in November. A maximum of two Grade 12 Music credits may be counted in the admission average. All classical applicants must provide proof of completion of RCM Level 8 Theory (or equivalent) with a minimum grade of 60%, by **June 22, 2022**. Classical applicants have the option of taking the Faculty of Music Classical Entrance Theory Exam. Jazz applicants will be required to write the Faculty of Music Jazz Entrance Theory Exam.

All applicants must complete an audition/interview. Auditions/interviews will take place in February 2022. For complete guidelines, visit: uoft.me/MusicAdmReq

Program	OUAC Program Code	Admission Prerequisites
Artist Diploma	TO	E
Music <ul style="list-style-type: none">• Composition• Comprehensive Studies - Classical or Jazz• History, Culture, and Theory	TZ	E
Music Education - Classical or Jazz	TD	E
Performance - Classical or Jazz	TX	E

FACULTY OF KINESIOLOGY & PHYSICAL EDUCATION (BKIN)

All applicants must complete an online Statement of Interest form by February 1, 2022. Students planning to take upper-year biology courses in university should take Grade 12 Chemistry. Students who wish to add a major or minor in Psychology or Physics to their BKin degree should take Grade 12 Calculus.

Within the BKin degree, KPE students have the opportunity to participate in two certificate programs: one in Global Kinesiology and Physical Education, and the other in Physical Activity Instruction. A combined Master of Teaching (MT) program from the Ontario Institute for Studies in Education is also available. Learn more at kinesiology.utoronto.ca

Program	OUAC Program Code	Admission Prerequisites
Kinesiology and Physical Education	TPK	E, M, Bio/Ch/Ph <small>/"Anatomy & Physiology 12" will be considered from educational systems that have now converted their biology courses to this title.</small>

ADMISSION REQUIREMENTS FOR COMMON INTERNATIONAL EDUCATIONAL SYSTEMS

Curriculum	Admission Requirements ◊	English Prerequisite**	Mathematics Prerequisite ▢
British-Patterned Education	<p>Arts, Science, Commerce/Management, Architectural/ Visual Studies, Kinesiology & Physical Education, and Music</p> <p>At least five different academic GCSE/IGCSE/Ordinary Level subjects and four different academic subjects at Advanced Subsidiary Level OR three different academic subjects at the Advanced Level (excluding General Paper). All examinations must be conducted by an examination authority located in the UK or an equivalent authority elsewhere. Prerequisites should be presented at Advanced or Advanced Subsidiary Level. Some programs may consider excellent GCSE/IGCSE/Ordinary Level results for fulfilling a prerequisite.</p>	GCSE/IGCSE/Ordinary Level English, English Language, or English as a Second Language, OR AS Level/A Level English or English Language	Math AS Level/A Level/AL Pure Mathematics
	<p>Engineering</p> <p>Three A-Levels including Mathematics and Physics. Chemistry is strongly recommended as the third A-Level. Applicants are required to present at least AS-Level Chemistry. U of T Engineering does not grant advanced standing for A-Level subjects. Complete details can be found at discover.engineering.utoronto.ca</p>	GCSE/IGCSE/Ordinary Level English, English Language, or English as a Second Language, OR AS Level/A Level English or English Language	Mathematics/Pure Mathematics
Cambridge Pre-University	<p>The Cambridge International Pre-U Diploma or Certificate, including three Principal Subjects (or a combination of Advanced Level subjects and Principal Subjects covering different subject areas).</p> <p>Refer to discover.engineering.utoronto.ca for complete information about admission requirements for Engineering.</p>	GCSE/IGCSE/Ordinary Level English, English Language, or English as a Second Language, OR Principal Subject English or English Language	Math A Level/Principal Subject
Caribbean Advanced Proficiency Examination (CAPE)	<p>The complete Diploma (six units).</p> <p>Refer to discover.engineering.utoronto.ca for complete information about admission requirements for Engineering.</p>	CSEC/CAPE English	Pure Mathematics (CAPE Unit I or II).
French Baccalaureate	<p>The complete Baccalauréat général.</p> <p>Refer to discover.engineering.utoronto.ca for complete information about admission requirements for Engineering.</p>	Anglais (Terminale)	Spécialité Mathématiques (Terminale)

ADMISSION REQUIREMENTS FOR COMMON INTERNATIONAL EDUCATIONAL SYSTEMS, CONTINUED

Curriculum	Admission Requirements ◊	English Prerequisite**	Mathematics Prerequisite ▢
International Baccalaureate (IB)	<p>Arts, Science, Commerce/Management, Architectural/ Visual Studies, Kinesiology & Physical Education, and Music The complete Diploma.</p> <hr/> <p>Engineering Mathematics Analysis and Approaches HL (recommended) or SL or Mathematics Applications and Interpretations HL; Physics and Chemistry at either level. U of T Engineering does not grant advanced standing credit for IB courses. Complete details can be found at discover.engineering.utoronto.ca</p>	English HL or SL	<p>Mathematics: Applications and Interpretations HL / Analysis and Approaches SL / Analysis and Approaches HL OR (completed before November 2020 only) Mathematics HL or SL / Further Mathematics HL</p> <p>Math Studies is not acceptable</p>
United States	<p>Arts, Science, Commerce/Management, Architectural/ Visual Studies, Kinesiology & Physical Education, and Music U.S. Senior Year/Grade 12 in an accredited high school with a high grade point average. We expect competitive applicants to be enrolled in a rigorous academic course load, and to have taken the highest level of course available to them in pre-requisite subjects. For 2022 admissions, U of T is test optional. Students who cannot or choose not to submit test results will not be disadvantaged in the admissions process; however, students who have written SAT or ACT tests previously, and wish to have these considered in their assessment, are encouraged to submit their scores.</p>	Grade 12 English	Grade 12 Calculus / AP Calculus
	<p>Engineering Grade 12 at an accredited high school with a high grade point average. Competitive candidates are expected to present two years of Math (including Calculus), Chemistry, and Physics with excellent results in all senior level courses (AP, Honors or equivalent). Students who are not able to take more than one year of Chemistry or Physics, or who are not taking an AP course in that subject, should contact the Engineering Undergraduate Admissions Office directly to discuss other options to meet admission pre-requisites requirements. For 2022 Admissions, U of T is test optional. However, we encourage students to submit any SAT, ACT or AP exams that they have completed. U of T Engineering does not grant advanced standing credit for AP courses. Complete details can be found at discover.engineering.utoronto.ca</p>	Grade 12 English	Grade 12 Calculus / AP Calculus

Detailed information about all educational systems is available at uoft.me/reqs. Transfer credit information is available at uoft.me/transferral. Students applying to U of T Engineering programs should consult system-specific international admission requirements by visiting uoft.me/ENGapply.

▢ Other prerequisites may be required. Refer to the appropriate program chart. ** English is required for admission to all program areas.

◊ Possession of the minimum requirements does not guarantee admission.
