HOW TO APPLY

All prospective applicants apply through the Ontario Universities Application Centre (OUAC). For details on application procedures and deadlines, please visit: future.utoronto.ca/apply/applying

We encourage you to apply well in advance of the published deadlines. Admission is competitive and spaces fill quickly.

Full-Time Degree Applicants

Full-time studies begin in September only.

Ontario Secondary School Applicants

If you are a current full-time Ontario secondary school student, you should apply to the OUAC with a "101" online application. Your school will also send your marks to U of T through the OUAC.

Please note that if you are not eligible to register in courses that are in high demand, you may need to apply for a different program.

Part-Time Degree Applicants

Part-time degree studies begin in September or May only. Apply online using the Part-Time Degree application at: future.utoronto.ca/apply/applying

Please note that if you are not eligible to register in courses that are in high demand, you may need to apply for a different program.

Non-Degree Applicants

Non-degree students begin in September or May only. If you wish to enrol in an arts or science course but not toward a degree, apply using the Non-Degree application at: future.utoronto.ca/apply/applying

Please note that if you are not eligible to register in courses that are in high demand, you may need to apply for a different program.
For full details on admission requirements, see: future.utoronto.ca/apply/requirements

All programs require a supplementary application. The selection process is competitive. Some programs have limited spaces and the number of applications considered for admission consideration varies by program and admission category. You must present all requirements, including all prerequisite courses, to be considered for admission. The minimum requirements for satisfaction will be considered for admission for Canadian secondary school applicants. Your Secondary School and Diploma must be recognized by the Provincial Ministry of Education. Transfer credit toward arts, science, and commerce/management programs is considered for some academic AP and IB subjects. Learn more: uoft.me/transferal

### President’s Scholarship of Excellence

Approximately 150 of the most highly qualified students applying for first-year entrance, undergraduate studies will be distinguished as President’s Scholars of Excellence. This distinction includes a $9,000 entrance scholarship in first year, access to part-time, on-campus employment during second year and access to international learning opportunities during the student’s undergraduate experience. Outstanding undergraduate students are nominated automatically for this scholarship.

### National Scholarship Program

The National Scholarship Program recognizes Canadian secondary school students who demonstrate academic excellence, originality and creative thought, and exceptional performance in a broad context. They excel in academic pursuits, demonstrate enthusiasm for intellectual exploration and have a strong commitment to the lives of their schools and communities. Each year, approximately 150 students are named National Scholars due to the high quality of their final year of secondary school. Find out more and apply here: [future.utoronto.ca/national-scholar](https://future.utoronto.ca/national-scholar).

### Lester B. Pearson International Scholarship

While the National Scholarship Program is open to Canadian students, international students studying in Canada can be nominated for the Lester B. Pearson International Scholarship. Learn more at [pearson.utoronto.ca](https://pearson.utoronto.ca).

### Other Awards

Awards which recognize factors such as financial need, outstanding leadership, community involvement or excellence in specific discipline and pursuits are also available. To maximize your eligibility for awards, complete the Awards Profile in your JOIN U of T applicant portal at the earliest possible time.

### Tuition Fees 2021–22

ADMISSION CONSIDERATION

All programs require an Ontario Secondary School Diploma (OSSD), and six Grade 12 U/M subjects, including ENG4U/4U01 and any other prerequisites. Review the Canadian Secondary School Qualification and Course Equivalents chart in the lower right corner for comparable requirements from other Canadian provinces and territories. The admissions selection process includes consideration of the student’s high school academic record. Emphasis is placed on Grade 11 results where marks in the required number of Grade 12 courses are not yet available.

Admission is competitive and subject to space availability. The University of Toronto reserves the right to give preference to students with a consistent academic record whose marks are the result of a single attempt at each course. The “Admissions Consideration” indicated for each admission category is based on the admission average from the previous year. Grade requirements can vary from year to year, depending on the number and quality of applicants. The specified range is intended as a general guideline only.

FACULTY OF MUSIC (MUSIAC/ROSAFAC)

All applicants are required to submit a Music Questionnaire by January 15, 2023. The Music Questionnaire will be available online at artsci.utoronto.ca/musiclectron.
