ADMISSIONS UPDATE

STATEMENT OF INTEREST (SOI)

The Statement of Interest is a required document for admission selection. In the past KPE has made conditional offers to academically outstanding applicants in the February round, pending the Statement of Interest. This is no longer the case. Receipt of the Statement of Interest is now enforced. No offers will be made to applicants who have not submitted this required document.

- SOI is used for admission and scholarship consideration, borderline admission cases.
- All SOIs are read and tracked for outstanding experiences, extenuating circumstances, accessibility issues and referral to support services.
 - Questions asked: Why interested in BKIN degree, career interests, leadership and volunteer experiences, extenuating circumstances, etc.
- Optional question for Indigenous applicants to self identify.
Those who do are considered on an individual basis.

STATEMENT OF INTEREST (SOI)
