# HOW TO APPLY

Applicants wishing to be considered for admission to several Ontario universities should apply to the University of Toronto through the Ontario Universities' Application Centre (OUAC).

Applicants who are interested in applying only to the University of Toronto, who reside outside of Canada, and who are neither currently studying nor have previously studied in Canada may apply using the University of Toronto International Application.

We encourage you to apply well in advance of published deadlines.

Find all applications and complete details on the admissions process at [future.utoronto.ca/apply](https://future.utoronto.ca/apply)

## NOTE

We are aware that third parties around the world are misrepresenting themselves as agents, staff, or officers of the University of Toronto, and are extending fraudulent offers of admission and scholarships to prospective students. We urge you to protect yourself by reviewing how we will be communicating with you.

# DEADLINES

## APPLICATION DEADLINES

Submitting a complete application as early as possible allows your application to be considered for a wider range of admission opportunities—and, in many cases, permits earlier decisions.

## DOCUMENT DEADLINES

Document deadlines vary by division. For a complete list of document deadlines, visit:

[uoft.me/document-deadlines](https://uoft.me/document-deadlines)

We encourage applicants to submit all required documents well in advance of posted deadlines. Once we receive your application, we will send you an email acknowledgement with next steps.

# STUDYING IN CANADA

## STUDENT PERMIT/VISA

If you are not a citizen or permanent resident of Canada, you should apply for a study permit and entry visa (depending on your citizenship) as soon as you receive your letter of admission from the University. You can obtain applications for these documents from a Canadian embassy or consulate before departing.

To obtain a study permit, international students must demonstrate to Immigration, Refugees and Citizenship Canada that they have sufficient resources to cover tuition fees and all living expenses for at least one year. Complete details can be found at:

[ircc.canada.ca](https://ircc.canada.ca)

## PROVINCIAL ATTESTATION LETTER

International students may need a Provincial Attestation Letter (PAL) for their study permit application. This letter confirms your acceptance and eligibility to study in Ontario. The PAL is provided to students after they complete key steps, including accepting an offer of admission and paying the admission deposit.

[uoft.me/PALetter](https://uoft.me/PALetter)

## CENTRE FOR INTERNATIONAL EXPERIENCE

Adapting to a new cultural environment and a new educational system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs:

[cie.utoronto.ca](https://cie.utoronto.ca)

## GUARDIANSHIP

If you are an international student under the age of 18, you may be asked by Immigration, Refugees and Citizenship Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

## ADMISSION REQUIREMENTS

Applicants who have attained a high level of academic achievement and who meet prerequisites will be considered for admission. Minimum admission requirements vary by educational jurisdiction and program of study. All applicants are required to present a Senior Year/Grade 12 English course for admission consideration. All programs have limited spaces and selection is competitive. Some programs require a supplementary application. More at:

[future.utoronto.ca/apply/requirements](https://future.utoronto.ca/apply/requirements)

## AFTER YOU'VE APPLIED

About a week after you submit your application, you will get an email acknowledging that we have received your application. The email will also ask you to activate a set of personal login credentials (UTORid) and then sign into the **Join U of T Applicant Portal** or the **Engineering Applicant Portal**. This will unlock the second step of the application process.

Join U of T is a one-stop applicant dashboard that lists everything we need from you and your next steps. It is the first place you should

go if you want to check the status of your application, and it's the best place to go if you are not sure what to do next. When you log in, you'll be able to see if you need to provide any additional information and access our online residence application.

Engineering applicants will be redirected to a separate portal after signing into Join U of T, called the Engineering Applicant Portal, where you'll be able to complete the rest of your application. Be sure to submit any required documents by the deadlines listed in your portal.

## UNIVERSITY TRANSFER APPLICANTS

Admission consideration is based on the overall academic record, with an emphasis on the most recent (or highest) level of study completed, and results in prerequisite subjects. Prerequisites must be completed at the Senior Year/Grade 12 level or at the undergraduate level.

Applicants are required to disclose and provide transcripts for all secondary and postsecondary level study attempted.

Some programs do not consider applications from students who have previously attended a postsecondary institution. Be sure the program in which you are interested will consider your application.

Transfer credit may be granted for undergraduate studies completed at a recognized postsecondary institution. Details about the transfer credit process will be provided after an offer of admission is made. Prospective students should consult the website of their target faculty for more information.

Applicants who already hold a bachelor's degree from a recognized postsecondary institution can only apply to a different field of study. For instance, students who have completed a degree in, or have majored in, economics, management, commerce or business, cannot complete a Bachelor of Commerce or Bachelor of Business Administration at U of T. If admitted to a different program, these applicants will be

granted a maximum of one year of transfer credits (five full credit courses). Individuals who already hold an undergraduate degree in Engineering are not eligible to apply for undergraduate studies at U of T Engineering.

[uoft.me/transferal](https://uoft.me/transferal)  
[uoft.me/ENGtransfer](https://uoft.me/ENGtransfer)

Undergraduate degree holders who wish to take additional undergraduate courses, perhaps in order to qualify for graduate studies, may consider applying for Non-degree studies. Please note that it may not be possible to register as a Non-degree student in courses that are in high demand.

## ENGLISH LANGUAGE REQUIREMENTS

Proof of adequate English facility is required from all applicants except for those:

- whose first language (i.e., the language learned at home as a child) is English; or
- who have achieved satisfactory results in at least four years of full-time academic study in an English language school system located in a country where the dominant language is English; or
- whose first language is French and who have achieved satisfactory results in at least four years of full-time academic study in Canada.

For full details about English language requirements, visit [uoft.me/elr](https://uoft.me/elr)

## ENGLISH LANGUAGE PATHWAY PROGRAMS

Academically qualified students who do not meet our English language requirements may be interested in one of our English language programs. These programs, if completed successfully, will allow students to meet our English language requirement. They are offered on each campus and range in length from six weeks to eight months. Such programs include:

- **Academic Culture & English Program (ACE@UTM)**  
[uoft.me/utmace](https://uoft.me/utmace)
- **Academic English at U of T Scarborough**  
[uoft.me/academicenglish](https://uoft.me/academicenglish)

## INTERNATIONAL FOUNDATION PROGRAM

The International Foundation Program (IFP) is a unique offering that combines conditional acceptance to the University of Toronto with intensive English language and academic skills development instruction, paired with for-credit courses. The IFP is available to academically qualified international students whose English fluency scores do not meet the University of Toronto's direct entrance requirements. Learn more:

## WORKING IN CANADA

International students are permitted to work part-time and may be able to incorporate paid work terms into their academic programs. After you graduate, you may be allowed to live and work in Canada, full-time, for up to three years.

### Work as Part of Your Academic Program

Paid work placements are part of co-op programs at U of T Scarborough, the Professional Experience Year Co-op Program available to Engineering students, the U of T Mississauga Co-op Internship Program, and the Arts & Science Internship Program available to eligible Faculty of Arts & Science students:

[uoft.me/utmcpip](https://uoft.me/utmcpip)

[uoft.me/asip](https://uoft.me/asip)

### Gaining Work Experience

Part-time work on or off campus allows you to earn extra spending money. Not only is it an excellent opportunity to gain practical Canadian work experience, but it will also allow you to expand your social experiences. You may obtain permission to work part-time off campus following six months of study. You may also stay in the Greater Toronto Area and work full-time during holidays and between academic terms. Learn more:

## SCHOLARSHIPS & FINANCIAL AID

All applicants are considered automatically for admission scholarships based on their academic performance. To explore all U of T scholarship opportunities, including those that require a separate application, visit our Award Explorer at:

[awardexplorer.utoronto.ca](https://awardexplorer.utoronto.ca)

Canadian citizens and permanent residents who live outside of Canada are eligible for the University of Toronto's financial aid support for students in financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program. The University of Toronto is a recognized postsecondary institution for Federal Direct Loans (PLUS/Subsidized/Unsubsidized). Education Savings Plans, and U.S. Federal Education Tax credits are also applicable. Complete details can be found at:

[uoft.me/usloans](https://uoft.me/usloans)

Accurate at time of printing. Confirm fee schedules at [future.utoronto.ca/finances/fees](https://future.utoronto.ca/finances/fees)

Total fees include academic fees, as well as incidental and ancillary fees. Incidental and ancillary fees vary by college and campus. Ancillary fees are associated with course-related activities, or for services that students can choose to access. Incidental fees cover the costs of services and programs that contribute to the student experience and student wellbeing, and include fees for University-operated student services (such as campus Career Centres and Hart House). Find out more about incidental and ancillary fees at [viceprovoststudents.utoronto.ca/students/fees](https://viceprovoststudents.utoronto.ca/students/fees)

Tuition fees increase in the second year of some programs. A complete tuition fee schedule is available at [studentaccount.utoronto.ca/tuition-fees](https://studentaccount.utoronto.ca/tuition-fees). International fees include UHIP, a compulsory health insurance plan for international students (\$756).

## HOUSING & RESIDENCE OPTIONS

Housing is guaranteed for all new full-time students entering their first year of a postsecondary program for the first time, provided that they have indicated their interest in residence by completing the First Year StarRez application by **March 31**, and receive and accept an offer of admission by **June 2**. Students must respond to all deadlines and meet all deposit requirements in order to maintain their eligibility. Each of our three campuses has a student housing office where you can learn more about living on- and off-campus.
