

# **HOW TO APPLY**

Join the University of Toronto and become part of a vibrant community. Admission is competitive, so it's best to apply early. All prospective applicants apply through the Ontario Universities' Application Centre (OUAC). For details on application procedures and deadlines, please visit future.utoronto.ca/apply/applying. We encourage you to apply well in advance of the published deadlines.

### **FULL-TIME DEGREE APPLICANTS**

Full-time studies begin in September only.

### **Ontario Secondary School Applicants**

If you are a current Ontario secondary school student, you will need to provide your first and last name, Ontario Education Number (OEN), and your school name on the OUAC Undergraduate Application. Your school will send us your marks through the OUAC.

### **All Other Full-Time Applicants**

Apply online using the Undergraduate Application. If you were previously registered or are currently registered at U of T, you can apply online using the Internal Application.

### PART-TIME DEGREE **APPLICANTS**

Part-time degree studies begin in September or May. Apply online using the Part-Time Degree Application. For a complete list of programs that are offered on a part-time basis, refer to the online application. Parttime students can take courses during the day and evening (if available). Students who can attend classes only in the evening should consult their target academic division for guidance on class times.

### **NON-DEGREE APPLICANTS**

Non-degree studies begin in September or May. If you wish to enrol in arts and/or science courses but not toward a degree, apply using the Non-Degree Application.

Please note that it may not be possible to register in courses that are in high demand. If you are interested in non-degree studies in a professional division (Architecture, Landscape, and Design; Applied Science & Engineering; Kinesiology & Physical Education; Music), contact the division directly.

To find out more about which application is right for you, including any relevent application information and important deadlines, see:

future.utoronto.ca/apply/applying

# **DEADLINES**

### **APPLICATION DEADLINES**

Submitting a complete application as early as possible allows your application to be considered for a wider range of admission opportunities —and, in many cases, permits earlier decisions.

Application dates for full-time studies, part-time studies and non-degree studies (summer session):

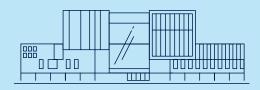

**NOVEMBER** RECOMMENDED EARLY APPLICATION DATE

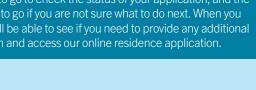

The application deadline for Non-Degree (fall session) is June 2. Application deadlines for some second-entry program areas (Bachelor of Information, Nursing, Medical Radiation Sciences, and Physician Assistant) are available at:

### uoft.me/deadlines

### **DOCUMENT DEADLINES**

Document deadlines vary by division. We encourage you to submit all required documents well in advance of the posted deadlines. For a complete list of document deadlines, see:

### uoft.me/document-deadlines

### **AFTER APPLYING**

About a week after you submit your application, you will get an email acknowledging that we have received your application. The email will also ask you to activate a set of personal login credentials (UTORid) and then sign into the Join U of T Applicant Portal or the Engineering Applicant Portal. This will unlock the second step of the application process.

Join U of T and the Engineering Applicant Portal are one-stop applicant dashboards that list all of your next steps. It is the first place to go to check the status of your application, and the best place to go if you are not sure what to do next. When you log in, you'll be able to see if you need to provide any additional information and access our online residence application.

### **ADMISSION REQUIREMENTS**

Applicants who have attained a high level of academic achievement and who meet prerequisites will be considered for admission. The minimum requirements for consideration vary by program and admission category. All applicants are required to present a Grade 12 English course for admission consideration.

All programs have limited spaces and the selection process is competitive. Some programs require a supplementary application. For full details on admission requirements, see:

### future.utoronto.ca/apply/requirements

### **Canadian Secondary School**

Your secondary school and diploma must be recognized by the Provincial or Territorial Ministry of Education. Refer to the Canadian Secondary School Qualifications and Course Equivalents chart in this bulletin for details on minimum admission requirements.

Transfer credit towards arts, science and commerce/management programs is considered for some academic AP and IB subjects. Learn more:

### uoft.me/transferal

#### International Baccalaureate

Complete details, including course prerequisites for programs requiring Calculus and Advanced Functions, can be found in the Canadian Secondary School Requirements and Course Equivalents chart in this bulletin, as well as at:

#### uoft.me/IBDiploma

To learn more about transfer credit for IB subjects, visit:

### uoft.me/transferal

### **Ontario Colleges of Applied Arts and** Technology/Institutes of Technology and **Advanced Learning**

A strong grade point average in an academic program is required for admission consideration. All prerequisites must be met at the Grade 12 U/M level and all

supplementary or profile information (if required) must be presented. Two semesters of an academic subject completed at the college level may be considered as equivalent to a Grade 12 U/M level prerequisite.

Applicants who have completed a two-year academic diploma may receive up to three full credits towards an arts, science, commerce/ management program. Applicants holding a three-year academic diploma or a four-year degree may receive up to five credits towards a degree.

### uoft.me/universitycollegetransfer

Students interested in applying to the Faculty of Applied Science & Engineering from a college should contact the Faculty directly.

We also have specific transfer articulation agreements with some Ontario colleges:

- Faculty of Arts & Science wdw.utoronto.ca/diploma-to-degree
- U of T Scarborough utsc.utoronto.ca/pathways

### **UNIVERSITY TRANSFER APPLICANTS**

Admission consideration is based on the overall academic record, with an emphasis on the most recent (or highest) level of study completed, and results in prerequisite subjects. Prerequisites must be completed at the Grade 12 level or at the undergraduate level.

Applicants are required to disclose and provide transcripts for all secondary and postsecondary level study attempted.

Some programs do not consider applications from students who have previously attended a postsecondary institution. Be sure the

program in which you are interested will consider your application.

Transfer credit may be granted for undergraduate studies completed at a recognized postsecondary institution. Details about the transfer credit process will be provided after an offer of admission is made. Prospective students should consult the website of their target faculty for more information.

Applicants who already hold a bachelor's degree from a recognized postsecondary institution can only apply to a different field of study. For instance, students who have completed a degree in, or have majored in, economics, management, commerce or business, cannot complete a Bachelor of Commerce or Bachelor of Business that are in high demand.

Administration at U of T. If admitted to a different program, these applicants will be granted a maximum of one year of transfer credits (five full credit courses). Individuals who already hold an undergraduate degree in Engineering are not eligible to apply for undergraduate studies at U of T Engineering.

### uoft.me/transferal uoft.me/ENGtransfer

Undergraduate degree holders who wish to take additional undergraduate courses, perhaps in order to qualify for graduate studies, may consider applying for non-degree studies. Please note that it may not be possible to register as a non-degree student in courses

### **PATHWAY PROGRAMS**

### **Transitional Year Programme**

# SCHOLARSHIPS & FINANCIAL AID

The University has comprehensive scholarship and financial aid programs that provide financial support and recognition for outstanding academic achievement at different levels of study. The University, and its colleges and faculties, award 7,100+ admission scholarships that total almost \$36 million each year, along with 7,900 in-course scholarships. Students are automatically considered for most admission awards when they apply to U of T.

### University of Toronto Advanced Planning for Students (UTAPS)

UTAPS is the University's largest need-based support program and covers the financial gap between a student's actual education costs and the costs recognized by their provincial/ territorial government student financial aid program. In other words, UTAPS covers unmet financial need. Through UTAPS, U of T provides non-repayable grants to students to help cover this financial need gap, or unmet need. Learn more:

### uoft.me/utaps

### **U** of T Scholars Program

The University of Toronto Scholars Program recognizes outstanding students. About 700 U of T Scholars Awards will be given to students, each with a value of \$10,000. Applicants are automatically assessed based on their academic performance.

### President's Scholars of Excellence

Approximately 150 of the most highly qualified students applying to first year of direct-entry, undergraduate studies will be distinguished as President's Scholars of Excellence.

This distinction includes a \$15,000 entrance scholarship in first year; additional features may be offered by the admitting division. Outstanding students are considered automatically for these scholarships.

### **National Scholarship Program**

The National Scholarship recognizes
Canadian secondary school students who
demonstrate superior academic performance,
original and creative thought, and exceptional
achievement in a broad context. They excel in
academic pursuits, demonstrate enthusiasm
for intellectual exploration and have a strong
involvement in the lives of their schools and
communities. Each year, approximately
fifteen students are named National Scholars
and ten are named Arbor Scholars. This
scholarship requires a separate application,
due in early fall of your final year of secondary
school. Find out more and apply here:

### future.utoronto.ca/nationalscholarship

### Lester B. Pearson International Scholarship

While the National Scholarship Program is for Canadian students, international students studying in Canada can be nominated for the Lester B. Pearson International Scholarship. To become a Pearson Scholar, students must be nominated by their school and apply to undergraduate studies at U of T. Learn more:
