LAND ACKNOWLEDGEMENT

We wish to acknowledge this land on which the University of Toronto operates. For thousands of years, it has been the traditional land of the Huron-Wendat, the Seneca, and the Mississaugas of the Credit. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.

CANADA’S FLAGSHIP UNIVERSITY

HOME TO 100+ ACADEMIC DEPARTMENTS ACROSS THREE CAMPUSES

Students choose from 700+ undergraduate program options while tapping into a 660,000-strong alumni network spanning 170+ countries.

Every student enjoys access to worldwide industry partnerships, cutting-edge labs and studios, and research collaborators who will become lifelong friends. An innovation powerhouse that attracts $1.45 billion in research funding each year, and a caring community that nurtures every newcomer, U of T has something for everyone.

We are committed to enhancing access and equity across all of our campuses. We strive to attract students who reflect Canada’s diversity and can strengthen our community with a breadth of viewpoints and lived experiences.

OF OUR FIRST-YEAR STUDENTS ARE CITIZENS OF COUNTRIES OTHER THAN CANADA
At the crossroads of imagination and impact.

There is no better place for the enterprising student than the University of Toronto. A research and development hotbed that contributes $15.7 billion a year to Canadian prosperity.

Not only are our faculty celebrated worldwide as industry visionaries, our campuses are just steps away from Bay Street’s movers and shakers, and a stone’s throw from the commercial center of the Golden Horseshoe. Best of all, at Canada’s top university—routinely ranked #1 for funding, innovation, and research output—students can collaborate with friends and mentors in any field to build solutions to the world’s most pressing challenges.

Anchored by the Toronto Stock Exchange, the world’s largest exchange for energy firms, and a financial district that headquarters Canada’s five main banks, the GTA is an economic powerhouse that nurtures unmatched talent in everything from cybersecurity to food security, and is acclaimed for its network of 15,000+ technology firms—the famed southern Ontario “digital corridor.”

BE ENTERTAINED
11 major league sports teams, 90+ performing arts theatres, 500+ live music venues.

PARKLIFE
300 acres of parkland surround the Scarborough campus, 225 acres of greenbelt land surround the Mississauga campus.

HOME TO ALL
180+ languages and dialects spoken, 8,000+ diverse dining establishments.

The GTA’s many neighbourhoods are where the world comes to build, learn, and laugh with the rest of the world.

Savour subtropical snacks in summertime markets, drink in fall foliage on a woodland hike, and enjoy a holiday show or three in December. We’ve got maple syrup festivals and indie film festivals, not to mention boardwalks, beaches, and buskerfests, complete with live music for every season and every mood. Home to world-class museums and art galleries, the nation’s most influential media personalities, and the Toronto International Film Festival—second only to Cannes in prestige—the GTA is a magnet for colour, flavour, and friendship.

SPRING
AVERAGE TEMPERATURE: 8°C / 46°F
Things to do: Toronto Comic Arts Festival, Cherry Blossoms at High Park, Cherry Blossoms at Kariya Park, Doors Open Toronto.

SUMMER

GLOBAL LEARNING

Study the history of German cinema in Berlin, the rise and fall of Bronze Age powers on the Anatolian plateau, and marine ecosystems in the South Pacific. The University of Toronto is committed to engaging at least 30% of our students with a global experience.

Through co-op placements, paid internships, learning abroad options in 160+ institutions, field schools, international course modules, and research opportunity programs, you’ll make industry contacts—and lifelong friends—and tackle pressing challenges like climate change, quantum cryptography, financial derivatives, and homelessness.

ANY INDUSTRY, ANYWHERE

Whether you want to land your dream job, conduct groundbreaking research, or start your own business, we can help get you there.

EMPLOYABILITY

U of T is the top public university in North America for the employability of our graduates. Our alumni can be found working and innovating at multinational firms and organizations including: Google, NVIDIA, TD Securities, the Toronto Blue Jays, the Royal Ontario Museum, Qualcomm, Microsoft, BMW, Amnesty International, and more.

ENTREPRENEURSHIP

Start a startup! 250+ entrepreneurship courses are offered across our three campuses, attracting thousands of registrants. All entrepreneurship resources at U of T are open to students from all three campuses, no matter what program or year you’re in.

Students can work towards a Global Scholar designation by taking a curated set of courses offered by their program or faculty. When those courses are completed, students will receive a “Global Scholar” notation on their transcript.

Students can work towards a Global Scholar designation by taking a curated set of courses offered by their program or faculty. When those courses are completed, students will receive a “Global Scholar” notation on their transcript.
Our tri-campus system makes it easy for students to learn, network, and innovate in Canada’s economic centre, just steps from some of the world’s most exciting and diverse neighbourhoods.

You can apply to one admission category per academic division. Our seven first-entry academic divisions are U of T Mississauga, U of T Scarborough, plus five faculties at U of T St. George:

- Faculty of Applied Science & Engineering
- John H. Daniels Faculty of Architecture, Landscape, and Design
- Faculty of Arts & Science
- Faculty of Kinesiology & Physical Education
- Faculty of Music

Once you’re a registered student, you will be able to personalize your degree with majors, minors, specialists, and certificates.

The University of Toronto St. George is home to ivy-laced courtyards and celebrated programs in Engineering, Music, Architectural & Visual Studies, Kinesiology & Physical Education, and more.

Located on the banks of the Credit River, the University of Toronto Mississauga boasts a world-class research environment in proximity to hundreds of major biotechnology and robotics firms.

A global leader in community-engaged research, the University of Toronto Scarborough offers co-op programs in over 50 fields.

3 Campuses

OUR COLLEGE SYSTEM
Every Arts & Science student on the St. George campus is a member of a college with a distinct history and a rich array of resources. Whether you live on or off campus, you will have access to core services, including academic advising and financial counselling — plus countless social experiences.

uoft.me/yourcollege
Students at each of our three campuses and all of our faculties benefit from distinctive learning environments, experiences, and co-curricular opportunities, while earning the same prestigious U of T degree.

MISSISSAUGA

U of T Mississauga invites you into a natural, forested campus steps away from one of the world’s most vibrant city regions. Here, you’ll make your mark in 180+ program options across every field imaginable: from forensic science to digital enterprise management. And you’ll earn your U of T degree in a kind, close-knit community full of supports to help you flourish.

utm.utoronto.ca

SCARBOROUGH

With 50+ co-op programs in the arts, sciences, and business, U of T Scarborough is also home to an Olympic-calibre sports complex, 200+ student groups, and some of the world’s most diverse neighbourhoods. From community-focused learning to international development co-op opportunities, you start building a truly multidisciplinary career as soon as you set foot on campus.

utsc.utoronto.ca

ST. GEORGE

At the heart of downtown Toronto, one of the world’s most diverse and dynamic cities, the St. George campus offers countless co-curricular activities. Just beyond the campus are the many neighbourhoods and industries that make Toronto a global meeting place. U of T St. George is rich with journeys, stories, and starting points for every student.

ST . GEORGE

Whether you aspire to be an urban planner, a filmmaker, a UX/UI designer, an art critic, or something we can’t yet imagine, our programs in Architectural Studies and Visual Studies will immerse you in the living laboratory of downtown Toronto. From day one you’ll be mentored by leading lights in building science, landscape architecture, public policy, curation, and sustainable energy.

daniels.utoronto.ca

John H. Daniels Faculty of ARCHITECTURE, LANDSCAPE, AND DESIGN

Whether you aspire to be an urban planner, a filmmaker, a UX/UI designer, an art critic, or something we can’t yet imagine, our programs in Architectural Studies and Visual Studies will immerse you in the living laboratory of downtown Toronto. From day one you’ll be mentored by leading lights in building science, landscape architecture, public policy, curation, and sustainable energy.

daniels.utoronto.ca

Faculty of APPLIED SCIENCE & ENGINEERING

Whether you plan to work in industry, start your own business or pursue further studies, you will graduate equipped with strong technical fundamentals, professional confidence, and a global perspective. Customization is a big part of the U of T Engineering experience. Combine any of our academic programs with a range of leadership and entrepreneurship opportunities, such as the PEY Co-op program where you can gain up to 20 months of work experience.

discover.engineering.utoronto.ca

Faculty of MUSIC

A degree in Music fosters critical thinking, discipline, and teamwork. Our alumni have gone on to score films, pioneer new technologies, and pack concert halls. Music students take part in a total of 600+ concerts and recitals each year. From Early Music, to Jazz, to West African Drumming and Drumming, to Japanese Taiko Drumming, we bring the diversity of Canada into the classroom.

Not all learning takes place in the classroom, and not everyone learns in the same way. Finding the best way to balance school, work, home, and health can be daunting! We get that life is complicated, and we’re here to help.

**STUDENT SUPPORT**
Meet with a Learning Strategist, an International Transition Advisor, a Campus Chaplain, an Elder-in-Residence at our First Nations House, or a nurse, doctor, or counsellor at Health & Wellness. Connect with our Sexual & Gender Diversity Office, our Community Safety Office, or our Family Care Office. We’re here to support you.

[www.uoft.me/student-support](http://www.uoft.me/student-support)

**ACCESS & INCLUSION**
There are 80+ alumni and peer mentor programs across our three campuses, including groups for mature students, Black, Indigenous, Latin American, and Southeast Asian students, first generation students, and students with family responsibilities.

[www.uoft.me/accessinclusion](http://www.uoft.me/accessinclusion)

**HART HOUSE**
Hart House is a centre for experiential education outside the classroom, where students from all three of our campuses find welcoming and unique ways to connect with each other and the broader world through engagement with the arts, dialogue, and wellness. From peer groups for study and social justice-based community talks to art exhibitions, theatre workshops, and classes to strengthen the body and spirit, Hart House offers something for everyone, something for you.

[www.harthouse.ca](http://www.harthouse.ca)

**QUEER ORIENTATION**
U of T’s Sexual & Gender Diversity Office is the oldest of its kind (20+ years) at any postsecondary institution in Canada. Our annual Queer Orientation is a huge draw for many students and our campuses are home to 20+ student groups for queer and trans undergraduate students. U of T’s Health & Wellness clinics have a Trans Healthcare Team, whose services are open to students from all three campuses.

[www.uoft.me/queerorientation](http://www.uoft.me/queerorientation)

**INDIGENOUS STUDENTS**
U of T provides a wide range of supports to Indigenous students. Work with an Indigenous Learning Strategist and take part in a wide range of cultural events to sharpen your study techniques, enrich your journey, and grow your leadership skills.

BEYOND THE CLASSROOM

There are thousands of things to be passionate about at U of T!

Whether you’re into drama, chess, or even robotics, we have a club for every interest. Get ready to make new friends and explore your passions in a vibrant and inclusive environment. And for all you sports enthusiasts, our varsity teams will give you the chance to represent U of T while playing your favourite games. So, join in and unlock a world of opportunities, fun, and growth!

CLUBS, COUNCILS & COMMITTEES

Our clubs, committees, and civic groups reflect the pluralism of Canadian society and the full spectrum of talent across our student community. Try your hand at one or a few of the 1,000+ student clubs, councils, and committees that U of T headquarters, such as:

- Aerospace Team
- Architectural Studies Society
- Black Students’ Association
- Creative Writing Club
- Drama Coalition
- Engineers Without Borders
- Hart House Debating Club
- Judo Club
- LGBTOUT
- Model United Nations
- Science Communication Club
- Ski and Snowboard Club

LIVING ON CAMPUS

Immerse yourself in a vibrant university experience by residing on campus. Each of the U of T campuses offers a diverse selection of housing choices, designed to seamlessly integrate you into a lively, nurturing, and friendly community.

Easily stroll to your classes, on-campus gatherings, sports facilities, and libraries. Engage in a variety of activities such as movie nights, recreational sports, study circles, and club engagements. Access a range of convenient and beneficial services, spanning from healthy dining options and laundry facilities to city tours and academic mentorship programs. Choosing to live in residence sets the perfect tone for embarking on your university journey.

MISSISSAUGA

Whether you stay in a traditional-style room, apartment, or townhouse, life in residence at U of T Mississauga is a bespoke experience. Get matched with an upper-year peer leader through our Residence Education Facilitators (REFs) program, become lifelong friends with your study buddies in our Living Learning Communities (LLCs), or participate in a variety of social and cultural events throughout the year. You’ll soon discover how study sessions, gaming sessions, and late-night heart-to-hearts can be one and the same. Learn what it’s like to live at U of T Mississauga, and view floor plans and meal plans at:

utm.utoronto.ca/housing

ST. GEORGE

Located in the urban core of downtown Toronto, the U of T St. George campus residences provide students with a comfortable home-away-from-home. Whether living in one of our campus’ seven colleges, in CampusOne, Chestnut Residence, or Knox Residence you will be able to experience a genuine community feeling within the country’s top research university. Each of the residence options has a distinctive character and legacy. Most have dormitory-type accommodation, while some have shared apartment-style or hotel-style units. Accessible accommodations are available. Learn more:

housing.utoronto.ca

SCARBOROUGH

Overlooking lush parklands on the eastern shoreline of Canada’s most cosmopolitan city, U of T Scarborough’s closely knit residence communities are just steps from sustainably built facilities and state-of-the-art labs. A multicultural cornucopia, Scarborough is the perfect home base for crafting a business proposal, policy paper, or novel, while sealing the deal over Hakka noodles, banh mi, and bubble tea. Residence options include townhouses, apartment-style units, and furnished single rooms conveniently located minutes away from transit, grocery stores, and malls, as well as scenic creeks and valleys. Learn what it’s like to live at U of T Scarborough, and discover the amenities and meal plans that await you at:

utsc.utoronto.ca/residences
REIMAGINING OUR CAMPUSES

ST. GEORGE
The Landmark Project is one of the most significant open-space projects at the University of Toronto in the past 100 years. The project is transforming the heart of our downtown campus into a greener, sustainable and accessible park-like setting, with a stunning network of pedestrian-friendly spaces. When completed, this historic space will serve as a centrepiece of U of T’s Climate Positive Campus plan, and will make our campus one of the premiere green spaces in Toronto’s urban core.

landmark.utoronto.ca

SCARBOROUGH
The Scarborough Academy of Medicine and Integrated Health (SAMiH) is a very exciting and timely initiative. The project will not only provide a much-needed training facility for physicians and health-care professionals but will allow residents to be part of the bigger, future building initiative in health care. It will connect people directly to our local health-care institutions to provide essential care to our diverse community in Scarborough and the eastern Greater Toronto Area. It will also provide a future building for training and strengthen connections among health-care providers in the region.

utsc.utoronto.ca/samih

MISSISSAUGA
We’ve got your back. Opening in late 2023, the Student Services Hub is U of T Mississauga’s new first stop for supports to help students thrive. Here, you’ll connect with knowledgeable, compassionate staff ready to share the resources that fit your life: from wellness programs to co-curricular experiences, accessibility services to global learning workshops. You’ll meet with peer mentors, make new friends at special events, explore our expanded career services, international abroad opportunities, ways to get involved in mentorship and leadership, and more. It all comes together in one place because that’s U of T Mississauga’s vibe – supports that meet you where you are.

uoft.me/student-services-hub
Join the University of Toronto and become part of a vibrant community. Admission is competitive, so it's best to apply early. Then, add @utoronto.ca to your safe senders list and keep a close eye on your inbox. About a week after you submit your application, we’ll send you an acknowledgement email with further instructions.

For complete details and deadlines, check out our International Undergraduate Admissions Bulletin, or future.utoronto.ca/apply

YOUR APPLICATION CHECKLIST

SUBMIT YOUR APPLICATION

☐ Applications for Fall 2024 open in late September. Keep an eye on uoft.me/deadlines for all important application deadlines.

☐ Find the Undergraduate Applications at uoft.me/apply.

☐ We recommend that you aim to submit your initial application by November 7. This will give you plenty of time to complete the next steps to be considered in all rounds of admission.

☐ Receive an acknowledgement email from U of T about one week after you submit your application. It will include your JOINid.

☐ Enable your JOINid and access the JOIN U of T Applicant Portal or the Engineering Applicant Portal.

☐ The final application deadline is January 15.

COMPLETE YOUR NEXT STEPS

☐ Find the list of required documents, forms, or supplemental applications on the JOIN U of T Applicant Portal.

☐ Submit required documents, and proof of English language facility (if required), by February 1. Some things may be required earlier, so check JOIN U of T for all deadlines. We strongly encourage you to complete all of the next steps well ahead of deadlines.

☐ Submit your residence application by March 31.

CONNECT WITH US

☐ Keep an eye on your inbox for more details about next steps, invitations to special events, and opportunities to connect with your future community.

GET AN ADMISSION DECISION

☐ Most admission decisions are sent in rounds between February and May. Be sure to check JOIN U of T.

☐ Accept your offer of admission before the deadline posted on JOIN U of T.

FINANCE YOUR EDUCATION

All students newly admitted to the University of Toronto are automatically considered for over 7,100 entrance awards, including the President’s Scholars of Excellence Program and the International Scholar Awards—just two of thousands of awards for which incoming students are considered. We’re committed to supporting and celebrating your achievements every step of the way.

Check what’s available on the Award Explorer at awardexplorer.utoronto.ca

SCHOLARSHIPS & STUDENT AID

As Canada's largest university, we welcome 17,000+ new students each fall. It's our hope that you’ll be among them. We know that financing a university education is no small undertaking—it may involve a mix of awards, bursaries, grants, part-time work, loans, and family support. It will involve, most importantly, you.

To learn more about international student aid programs, fees, awards, and budgeting tools, visit future.utoronto.ca/finances

The Lester B. Pearson International Scholarship is for exceptional international students. To become a Pearson Scholar, you must be nominated by your school and apply to undergraduate studies at the University of Toronto.

pearson.utoronto.ca

The University of Toronto has a longstanding commitment to promoting access through financial support. Canadian citizens and permanent residents who are living outside Canada are also eligible for the University of Toronto’s financial aid support for students in financial need.

future.utoronto.ca/finances

FINDING YOUR WAY

Joining our community means gaining full access to all campus programming—including work study programs and co-op programs. Once you become a student, our international advisors can offer guidance on eligibility criteria for on- and off-campus work, and how to apply for a co-op work permit should your degree include an internship or placement.

internationalexperience.utoronto.ca

If you are not a Canadian citizen or permanent resident, you must obtain a valid study permit before entering Canada. Required documents include—but may not be limited to—your official offer of admission to a university, evidence of adequate funds, and proof of medical clearance.

Joining our community means gaining full access to all campus programming—including work study programs and co-op programs.
